Thank you to all the participants – your dedication to safety has certainly paid off!

How did they become Safety Stars?

Safety Stars are transit employees who met the goals of the **5 Points of Safety**.

What are the 5 Points of Safety?

1. No Preventable Accident or Injury
2. No Customer Service Complaints
3. Report a Safety Hazard
4. Read Transit Mutual's Weekly Safety Tip
5. Provide a Safety Message or Tip

What happens when they reached their Safety Star goals?

Safety Stars who matched all 5 points of safety *throughout the year* were entered in a drawing to win cash prizes at the end of the year! **Each winner received \$100!!!!**

That's not all... The three best Safety Messages or Tips were awarded cash prizes up to \$750!
