## Service Overview

## Service: Mayor

Service Description
This service directs City officers in the performance of their duties and responsibilities and supervises the development and implementation of operational goals for City agencies. It appoints and evaluates agency heads as provided by ordinance, reviews agency plans, policies and procedures for soundness and proper coordination, and provides direct guidance to agencies experiencing significant policy or organizational difficulties. It directs inter-agency staff teams in the identification and resolution of management problems that affect more than one City agency. The Mayor's Office submits an annual Executive Budget to the Common Council after establishing guidelines and considering the capital and operating budget requests of City agencies. The Mayor's Office is responsible for encouraging citizen participation in City government by making citizen appointments to City committees; training committee members on "open meetings" requirements, parliamentary procedure, and ethics requirements; maintaining a database of citizen candidates interested in appointment to City committees; and responding to concerns and initiatives presented by citizens and assisting them in their relations with City agencies. The Mayor's Office monitors State and national issues that affect the welfare of City residents. This includes representing the City's interests in the State budget process, State legislation and administration, acting as liaison with the City's State legislative delegation, and maintaining contact with State and Federal legislators and administrators. The Mayor's Office provides public information through preparing and distributing press releases, position papers and correspondence, scheduling and conducting press conferences and interviews, representing the City at civic meetings and official functions and responding to inquiries from the press, organizations and individuals.

2018 Planned Activities

- Support summer food programming offered through the Parks system
- Lead efforts associated with the City's strategic management initiative
