2023 Budget Highlights

Service: Police Field

- The 2023 Preservice Academy. Each year the Academy includes recruits hired to fill all commissioned positions vacant at that time, as well as an estimated overhire for anticipated vacancies based on an average three-year attrition, which is 39 for 2023. (Increase: \$60,000)
- o Funding for six additional police officer positions which will start in the 2023 Preservice Academy. The Department was awarded a Community Oriented Policing Services (COPS) 2021 Cops Hiring Program grant in November 2021 to hire six new police officers to help the Department enhance and improve upon the existing legitimacy and trust building efforts in the community. The Common Council authorized the acceptance of the grant in February 2022 (RES-22-00149) with the contingency that the required local match is provided for in the 2023 Operating Budget. The Adopted Budget includes funding for the match (\$60,722) and other City costs related to the grant (\$34,180).
- Grant revenue from the 2022 Wisconsin Department of Administration Law Enforcement Agencies Safer Communities grant which will fund a portion of the 2023 recruit class payroll expenses. The Department is allocating this grant revenue to the General Fund to offset the City's cost of the COPS grant in 2023. (Increased Revenue: \$125,000)
- \$50,000 for a one-time pilot of third party transports to and from Winnebago Mental Health Institute funded through salary savings via Finance Committee amendment #14. At the conclusion of the pilot, the Department will provide an evaluation of the pilot to the Finance Committee which will include any estimated savings that might occur from using a third party service. The pilot will occur in 2023 after a competitive RFP process. (Net neutral)

Service: Police Support

- A new Program Assistant position to respond more promptly to requests made for Town of Madison records and to address a growing backlog of records requests. (Ongoing Increase: \$73,617)
- o Finance Committee amendment #22 delays the start date of the new Program Assistant position created in the executive budget by three months.

Grants: The Adopted Budget includes \$2,998,345 in anticipated grant and restricted revenues and expenditures. The Police Department is authorized to spend the grant funds in accordance with the grant application, with modifications upon appropriate approvals from the funder.

- o The 2023 Beat Patrol grant (\$241,416). The grant covers \$126,714 of the expenditures. The General Fund budget includes \$114,702 as the match for non-grant eligible expenses.
- o Dane County Narcotics Task Force (\$290,000).
- o Federal equitable sharing funds as part of the asset forfeiture program (\$246,320).
- The Department of Justice Officer Recertification program (\$211,945).

- o US Department of Transportation traffic enforcement grants (\$375,000).
- O Comprehensive Opioid, Stimulant and Substances Abuse Program (formerly named the Comprehensive Opioid Abuse Program): This four-year federal grant from the US Department of Justice was authorized in 2020 and will continue through 2023. Specifically, the grant funds an Addiction Resource Team to facilitate the delivery of harm reduction messaging, distribution of naloxone, and a direct link to assessment and treatment referrals. The Police Field service budget includes grant funding for a Police Officer, a Data Analyst position, and grant related supplies and services (\$288,209). In 2023, the grant will fund the positions through September 30, 2023 and then positions will be funded by the general fund (\$43,000). The Madison Fire Department and Public Health of Madison Dane County are also participants in the grant.
- Community Oriented Policing Services (COPS) De-escalation Training for Law Enforcement Agencies: This two-year grant will fund a US Department of Justice approved, nationally certified de-escalation train-the-trainer course, upgrades to virtual reality equipment to improve officer safety, and personnel overtime and fringe benefits to allow all sworn officers to receive this advanced training (\$126,420).
- o Community Oriented Policing Services (COPS) Community Violence Intervention Breaking the Cycle of Youth Violence Microgrant: The grant funds a two-year youth services pilot project to offer creative ideas to advance crime fighting, community engagement, problem solving or organizational changes to support community policing. This is a partnership with RISE Wisconsin, Inc. (local community based organization) and will occur in the South District (\$125,000).
- o Community Oriented Policing Services (COPS) 2021 Cops Hiring Program: This three-year grant will fund six new police officer positions to help the Department enhance and improve upon the existing legitimacy and trust building efforts in the community. The grant will pay \$750,000 toward the officers' salaries and benefits over a 36 month period and requires a 25% match of City funds. After the grant period, the full cost of the six positions would be borne by the City (\$574,100). In 2023, the grant will fund \$182,167 with the City match of \$60,722 and other City costs of \$34,180 for a total of \$277,069.
- 2022 Wisconsin Department of Administration Law Enforcement Agencies Safer Communities: This grant will reimburse expenditures from March 15, 2022 through June 30, 2023 for certain costs associated with Madison Police Department (MPD) hiring, training, testing, and equipping law enforcement officers; updating technology and policies; and implementing new crime-reduction initiatives (\$833,338). The grant does not require any city matching funds and there is no impact on the levy. In 2022, RES-22-00633 identified a variety of uses for the funding including providing recruitment bonuses, officer training in a stratified policing supervisory and operational model, the purchase of ShotSpotter Connect patrol management software, electric bicycles, ballistic helmets, and some officer initial issue supplies, equipment and uniform costs. The recruitment bonuses were authorized in RES-22-00633, so that the Department could offer the bonus during the recruitment process and will be paid in 2023 when the new recruits begin employment. In 2023, the remaining \$163,400 will be used to cover portions of the 2023 recruit class payroll (\$125,000) and initial issue for the recruits (\$34,800).
- Other Federal and State grants (\$135,066).
- COPS Community Policing Development Microgrant Community Policing Advisory Boards: This grant, added via Finance Committee amendment #13, will fund a two-year initiative to develop Community Policing Advisory Boards in each of the six police districts in partnership with the Madison Community Policing Foundation (MCPF). MCPF is a 501(c)(3) nonprofit organization that is an "Affiliated Organization" of MPD, pursuant to Madison General Ordinance 4.29, providing both financial and volunteer support to MPD community policing activities throughout the year. The Community Policing Advisory Boards will provide community outreach coordination services and facilitate development of the Advisory Boards. Residents will work with other community members and District officers to discuss public safety and create community activities to build neighborhood cohesion (\$175,000).
- COPS Police Wellness Coordination Services Law Enforcement Mental Health and Wellness Act: This grant, added via Finance Committee amendment #16, will fund a two-year initiative to expand peer support, training, family resources, suicide prevention, and other practices for wellness programs, under a Wellness Coordinator contract. City Employee Assistance Program staff will be involved in implementing the initiative (\$175,000).

The 2021 Adopted Budget moved the Parking Enforcement service from the Police Department to the Parking Utility. The Parking Enforcement section is to be fully merged into the Parking Division by the end of 2023. The 2021 and 2022 Adopted Budgets continued to present Parking Enforcement positions operationally within the Police Department but funded by the Parking Utility. The 2023 Budget presentation updates the positions to show a Parking Utility location.
