INDEPENDENT AUDITORS' REPORT

To the Board of Commissioners
Community Development Authority of the City of Madison
Madison, Wisconsin

Report on the Financial Statements

We have audited the accompanying financial statements of the Parkside Project Fund, an enterprise fund of the Community Development Authority of the City of Madison (CDA), a component unit of the City of Madison, Wisconsin, as of and for the year ended December 31, 2015, and the related notes to the financial statements, as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control over financial reporting relevant to the CDA's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the CDA's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

To the Board of Commissioners
Community Development Authority of the City of Madison

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Parkside Project Fund as of December 31, 2015, and the changes in financial position and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matter

As discussed in Note 1, the financial statements present only the Parkside Project Fund and do not purport to, and do not, present fairly the financial position of the Community Development Authority of the City of Madison (CDA), a component unit of the City of Madison, Wisconsin, as of December 31, 2015, and the changes in financial position, or cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

As discussed in Note I, the Parkside Project Fund adopted the provisions of GASB Statement No. 68, *Accounting and Financial Reporting for Pensions - an amendment of GASB Statement No. 27* and GASB Statement No. 71, *Pension Transition for Contributions Made Subsequent to the Measurement Date - an amendment of GASB Statement No. 68*, effective January 1, 2015. Our opinion is not modified with respect to this matter.

Other Matters

Required Supplementary Information

Management has omitted the management's discussion and analysis that accounting principles generally accepted in the United States of America require to be presented to supplement the financial statements. Such missing information, although not a part of the financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the financial statements in an appropriate operational, economic, or historical context. Our opinion on the financial statements is not affected by this missing information.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental information as listed in the table of contents is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the supplemental information is fairly stated in all material respects, in relation to the financial statements as a whole.

To the Board of Commissioners
Community Development Authority of the City of Madison

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated July 15, 2016 on our consideration of the CDA's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the CDA's internal control over financial reporting and compliance.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. REPORTING ENTITY

The Parkside Project Fund is a separate enterprise fund of the Community Development Authority (CDA) of the City of Madison, Wisconsin, which is a component unit of the City of Madison, Wisconsin. The financial statements of the Parkside Project Fund have been prepared in conformity with generally accepted accounting principles. The Governmental Accounting Standards Board is the accepted standard setting body for establishing governmental accounting and financial reporting principles. The more significant policies are described below.

The Parkside Project Fund is an individual fund of the Community Development Authority (CDA) of the City of Madison, Wisconsin which is combined with other individual funds administered by the CDA to form the component unit totals reported in the basic financial statements of the City of Madison, Wisconsin.

The Parkside Project Fund provides housing assistance service to properties within the City of Madison. This enterprise fund is managed by the Community Development Authority of the City of Madison (CDA).

The Parkside Project Fund operates under service rules which are established by the U.S. Department of Housing and Urban Development (HUD) and the Wisconsin Housing and Economic Development Authority (WHEDA). Rents charged and rental assistance received are regulated by HUD and WHEDA.

B. DESCRIPTION OF FUND STRUCTURE

In June 2012, the GASB issued Statement No. 68 – *Accounting and Financial Reporting for Pensions – an amendment of GASB Statement No. 27*. This statement establishes standards for measuring and recognizing assets, liabilities, deferred outflows of resources, deferred inflows of resources, and expense/expenditures related to pensions. In November 2013, the GASB issued Statement No. 71 – *Pension Transition for Contributions Made Subsequent to the Measurement Date – an amendment of GASB Statement No. 68*. This statement addresses an issue regarding application of the transition provisions of Statement No. 68. These standards were implemented January 1, 2015.

The accounts of the CDA are organized on the basis of funds, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, net position, revenues and expenses. The following fund type is used to account for the operations of the Parkside Project Fund.

Enterprise Funds

Enterprise funds are used to account for operations (a) that are financed and operated in a manner similar to private business enterprises – where the intent of the governing body is that the costs (expenses, including depreciation) of providing goods or services to the general public on a continuing basis be financed or recovered primarily through user charges; or (b) where the governing body has decided that periodic determination of revenues earned, expenses incurred, and/or net income is appropriate for capital maintenance, public policy, management control, accountability, or other purposes.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont.)

C. MEASUREMENT FOCUS, BASIS OF ACCOUNTING, AND FINANCIAL STATEMENT PRESENTATION

The measurement focus of the Parkside Project Fund is the flow of economic resources. Under this concept, revenues and expenses are matched using the accrual basis of accounting. All capital assets are capitalized at historical cost and depreciated over their useful lives.

The financial statements are prepared on the accrual basis of accounting. Accordingly, revenues are recorded when earned and expenses are recorded when liabilities are incurred.

The Parkside Project Fund distinguishes operating revenues and expenses from nonoperating items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with the Parkside Project Fund's principal ongoing operations. The principal operating revenues of the Parkside Project Fund are charges to customers for rent and services. Operating expenses for the Parkside Project Fund include the cost services, administrative expenses, and depreciation on capital assets. All revenues and expenses not meeting this definition are reported as nonoperating revenues and expenses.

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenditures/expenses during the reporting period. Actual results could differ from those estimates.

D. CASH AND CASH EQUIVALENTS

For purposes of the statement of cash flows all highly liquid investments with an initial maturity of three months or less when acquired are considered to be cash equivalents.

E. RECEIVABLES

Accounts receivable have been adjusted for all known uncollectible accounts. No allowance for uncollectibles is necessary at year end.

F. PREPAID ITEMS

Certain payments to vendors reflect costs applicable for future accounting periods and are recorded as prepaid items in the financial statements.

G. RESTRICTED ASSETS

Mandatory segregations of assets are presented as restricted assets. Such segregations are required by bond agreements and other external parties. Current liabilities payable from these restricted assets are so classified. The excess of restricted assets over current liabilities payable from restricted assets will be used first for retirement of related long-term debt. The remainder, if generated from earnings, is shown as restricted net position.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont.)

H. CAPITAL ASSETS

Capital assets are stated at original cost, which includes materials, labor, overhead costs and an allowance for funds used during construction.

Depreciation expense is computed at straight-line rates over the estimated useful lives of the assets.

A summary of capital assets and useful lives are as follows:

Land	\$ 200,271	N/A
Land Improvements	79,125	15 years
Buildings	4,043,450	20 - 40 years
Machinery and equipment	112,944	5 - 10 years
Intangible assets	<u>19,683</u>	
 Total	 <u>\$ 4,455,473</u>	

I. DEFERRED OUTFLOWS OF RESOURCES

A deferred outflow of resources represents a consumption of net position that applies to a future period and will not be recognized as an outflow of resources (expense) until that future time.

J. COMPENSATED ABSENCES

City of Madison employees provide the necessary staffing to operate the CDA operations. These employees receive benefits according to the City of Madison's policies.

All vested vacation and sick leave pay is accrued when incurred.

Payments for vacation and sick leave will be made at rates in effect when the benefits are used. Accumulated vacation and sick leave liabilities at December 31, 2015 are determined on the basis of current salary rates.

K. LONG-TERM OBLIGATIONS

All long-term obligations, which consist of mortgage notes and compensated absences, are recorded in the Parkside Project Fund.

L. DEFERRED INFLOWS OF RESOURCES

A deferred inflow of resources represents an acquisition of net position that applies to a future period, and therefore, will not be recognized as an inflow of resources (revenue) until that future time.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont.)

M. EQUITY CLASSIFICATIONS

Equity is classified as net position and displayed in three components:

- a. Net investment in capital assets – Consists of capital assets including restricted capital assets, net of accumulated depreciation and reduced by the outstanding balances (excluding unspent debt proceeds) of any bonds, mortgages, notes, or other borrowings that are attributable to the acquisition, construction, or improvement of those assets.
- b. Restricted net position – Consists of net position with constraints placed on their use either by 1) external groups such as creditors, grantors, contributors, or laws or regulations of other governments, or 2) law through constitutional provisions or enabling legislation.
- c. Unrestricted net position – All other net position that do not meet the definitions of “restricted” or “net investment in capital assets.”

When both restricted and unrestricted resources are available for use, it is the Parkside Project Fund’s policy to use restricted resources first, then unrestricted resources as they are needed.

N. INCOME TAXES

The Parkside Project Fund is a part of the City of Madison CDA and is exempt from income taxes.

O. REAL ESTATE TAXES

The Parkside Project Fund makes payments in lieu of taxes to the City of Madison based on 10% of rental income less utility expenses.

NOTE 2 – DEPOSITS AND INVESTMENTS

Investment of CDA funds is restricted by state statutes. Available investments are limited to:

- a. Time deposits in any credit union, bank, savings bank, trust company or savings and loan association maturing in three years or less.
- b. Bonds or securities of any county, city, drainage district, technical college district, village, town, or school district of the state. Also, bonds issued by a local exposition district, a local professional baseball park district, or by the University of Wisconsin Hospitals and Clinics Authority.
- c. Bonds or securities issued or guaranteed by the federal government.
- d. The local government investment pool.

NOTE 2 – DEPOSITS AND INVESTMENTS (cont.)

- e. Any security maturing in seven years or less and having the highest or second highest rating category of a nationally recognized rating agency.
- f. Securities of an open-end management investment company or investment trust, subject to various conditions and investment options.
- g. Repurchase agreements with public depositories, with certain conditions.

The City of Madison maintains a cash and investments pool which is available to the Parkside Project Fund. At December 31, 2015, the Parkside Project Fund's share of these cash and investments totaled \$8,656.

NOTE 3 – RESTRICTED ASSETS

TENANT SECURITY DEPOSITS

The tenant security deposits are maintained in an interest bearing savings account. These funds are restricted to reimbursements of tenants' security deposits.

NET PENSION ASSET

Restricted assets have been reported in connection with the net pension asset balance, since this must be used to fund employee benefits.

At December 31, 2015, the Parkside Project Fund maintained the following restricted escrow deposits as required by the Regulatory Agreement with WHEDA.

RESIDUAL RECEIPTS ACCOUNT

The Parkside Project Fund is required to remit (annually) all cash remaining, if any, after the payment of all expenses, establishment of all required escrows and reserves and provision for allowable distributions, to a residual receipts reserve account. Remittance of residual receipts occurs upon approval of year-end financial statements by WHEDA. These residual receipts are under the control of WHEDA and can be disbursed only at WHEDA's discretion.

REPLACEMENT ACCOUNT

The replacement account is a cash fund held in trust by WHEDA. Disbursements from this fund are restricted to replacement of the building's structural elements or mechanical equipment and may be made only upon approval of WHEDA. Monthly deposits were made into this fund in 2015.

NOTE 7 – EMPLOYEES' RETIREMENT SYSTEM

The Parkside Project Fund of the CDA participates in the same employee retirement system as the CDA. Information related specifically to Wisconsin Retirement System for the Parkside Project Fund is unavailable. See the employees' retirement system note in the CDA's basic financial statements for further details.

NOTE 8 – RISK MANAGEMENT

The Parkside Project Fund of the CDA participates in the same risk pools as the City of Madison. Information related specifically to the Parkside Project Fund is unavailable. See the risk management note in the City of Madison's basic financial statements for further details.

NOTE 9 – COMMITMENTS AND CONTINGENCIES

Claims and judgments are recorded as liabilities if all the conditions of Governmental Accounting Standards Board pronouncements are met. Claims and judgments are recorded as expenses when the related liabilities are incurred. There were no significant claims or judgments at year end.

The CDA has entered into a Regulatory Agreement with the Wisconsin Housing and Economic Development Authority (WHEDA). The Regulatory Agreement contains, among other things, restrictions on the conveyance, transfer or encumbrance of any of the project property, assumption of additional indebtedness and assignment of rights to manage or receive the rents and profits of the property.

The development provides housing pursuant to Section 8 of the United States Housing Act of 1974. Rentals are subsidized by the federal government through a housing assistance payments contract between WHEDA and the CDA. The contract, which expires September 1, 2018, provides for maximum annual assistance payments of \$421,527. Total assistance payments received in 2015 from WHEDA were \$421,527.

The Parkside Project Fund has received federal and state grants for specific purposes that are subject to review and audit by the grantor agencies. Such audits could lead to requests for reimbursements to the grantor agency for expenditures disallowed under terms of the grants. Management believes such disallowances, if any, would be immaterial.

NOTE 10 – RELATED PARTIES

The administration and operation of the Parkside Project Fund is performed by employees of the City of Madison. The Parkside Project Fund pays the city for these services, as well as other allocated costs.

NOTE 11 – RESTATEMENT OF NET POSITION

Net position has been restated as a result of the implementation of GASB Statement No. 68 – *Accounting and Financial Reporting for Pensions – an Amendment of GASB Statement No. 27* and implementation of GASB Statement No. 71 – *Pension Transition for Contributions Made Subsequent to the Measurement Date*.
