Streets designated for Residential Permit Parking are indicated by the area number in the lower left corner of the parking signs.

Area Designation

RP3 restrictions
 ■■■■ Residential Permit Parking, 2 hour limit

IMPORTANT: RP3 permit applies only when no other restrictions are in effect. Only blocks where RP3 parking is permitted are shown on this map. Additional restrictions exist that are not shown on this map. Parkers must comply with all posted parking restrictions. Parkers must verify parking restrictions by looking at street signs on the block where they wish to park. This map is provided for informational purposes only and should not be used to determine RP3 eligibility. For restriction and eligibility information visit www.cityofmadison.com/parking-utility.
