Public Involvement Meeting #2 for the Blair Street / John Nolen Drive Corridor Study

7:00 PM to 8:30 PM, Monday, April 17, 2017

Monona Terrace, Hall of Ideas G

1 John Nolen Dr

Madison, WI 53703

The City of Madison is conducting a corridor study of John Nolen Drive and Blair Street from North Shore Drive to East Washington Avenue including portions of Wilson Street and Williamson Street. Primary goals of the study is to identify better pedestrian & bicycle access concepts to Law Park throughout the corridor, as well as determine a preferred alternative for reconstruction of Blair Street from the E Wilson Street & Williamson Street intersection to East Washington Avenue.

The meeting will include a presentation at 7:00 PM. The City of Madison and engineering consultant representatives will be available to discuss the corridor study and address questions.

Information regarding the study can be found on the study website:

<http://www.cityofmadison.com/engineering/projects/blair-st-john-nolen-dr-corridor-study>

If you have questions or concerns that may assist in the development of this study, we encourage you to attend the meeting. If you cannot attend this meeting or would like additional information, feel free to contact the study staff listed below:
