

Bus Size Study Public Information Session*

Wednesday, March 12; 6:30 PM

215 Martin Luther King, Jr. Blvd., Madison Municipal Building, Room 260

**Takes place during the Madison Transit and Parking Commission's regularly scheduled meeting.*

Metro Transit is completing a bus size study. Come to a public information session presented at this month's Madison Transit and Parking Commission meeting to find out:

- What types of buses does Metro currently use and why?
- What other types of vehicles are available?
- Would using larger buses help with overcrowding?
- How could small buses be used?
