

# FEEDING THE ARTS: An Empty Bowls Event

**Madison, Wisconsin  
Warner Park Community  
Recreation Center**

## **THE EMPTY BOWLS PROJECT:**

Empty Bowls is an international grassroots effort to fight hunger and was created by The Imagine Render Group. The basic premise is simple: Potters and other craftspeople, educators and others work with the community to create handcrafted bowls. Guests are invited to a simple meal of soup and bread. In exchange for a cash donation, guests are asked to keep a bowl as a reminder of all the empty bowls in the world.

**The money raised at the Madison event will be donated to three area school art programs; Shabazz High School, O'Keefe Middle School, and Gompers Elementary.**
