

UNIT WELL #23

Unit Well 23 was permanently abandoned in spring 2021. The well last delivered drinking water to the Madison community briefly in August 2017.

Please contact Madison Water Utility at (608) 266-4654 to receive historic water quality data for Well 23. Homes and businesses previously receiving water from Well 23 now receive water from any combination of the following:

Year round wells – [Well 9](#), [Well 11](#), or [Well 29](#)

Seasonal well (June through September) – [Well 8](#)
