# Meeting Outline & Expectations

6:00 – 6:15	Open House
6:15 – 6:30	Welcome & Project Presentation
6:30 – 6:45	Q & A / Comments
6:45 – 8:00	Open House

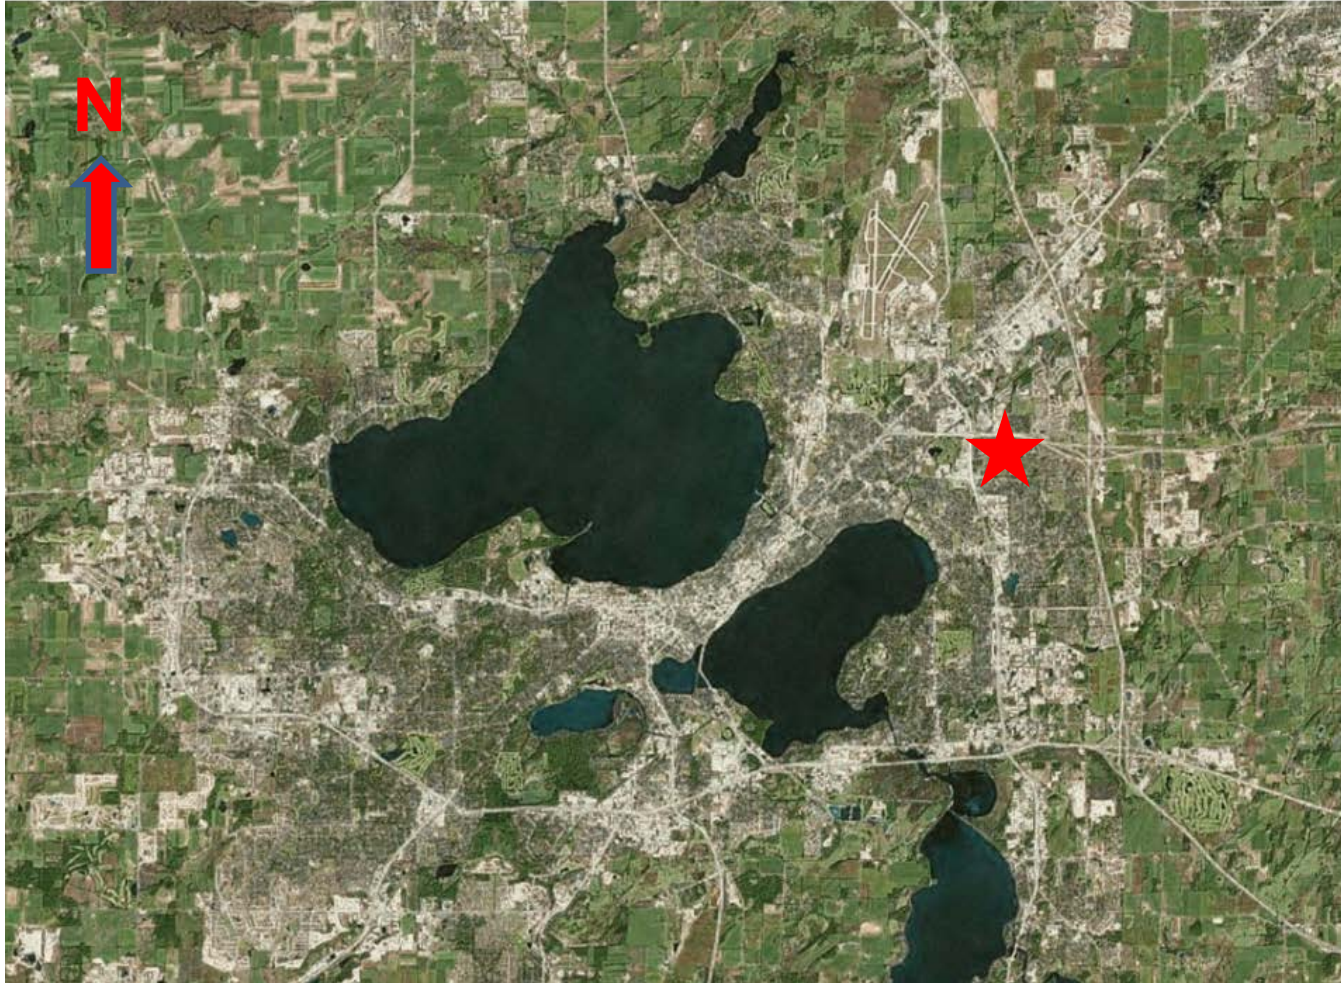

# Meeting Goals

- Purpose & Need of the Project
  - Benefits to the Community
- Preliminary Design Features
  - Pathway & Structures
  - Aesthetics & Lighting
- Project Schedule
  - Design and Construction
- Provide Feedback & Ask Questions

# Project Overview

# Project Overview – “Concept”

# Project Purpose & Need

- System Connectivity Through Series of Paths and Low Volume Streets
- Link Eastside Neighborhoods, Parks and Commercial Areas to Capitol City Path and Downtown
- Remove Barriers (Hwy 30 Crossing)

# Future Pathway Network

# Future Pathway Network

# Proposed Improvements - Path

## Typical Section

- 10-ft Wide Asphalt Path
- 14-ft Clear Width Across Structures, With Vertical Protection

# Proposed Improvements

**Hiestand Park: 4(f) Resource Evaluation & Documentation:**  
Special consideration given to certain park lands and conservation areas as well as to National Register or Register eligible historic sites.

# Proposed Improvements

# Proposed Improvements

# Proposed Improvements - Structure

# Proposed Improvements

## Pathway Lighting

- Along Path
  - User Safety & Security
  - On “All” Night
- LED Fixtures with Spill Control Feature
  - 3000K Color Temperature
  - 20-ft Poles
- Shielded Lighting

# Project Schedule & Costs

## Fall 2019 – Winter 2020

- Preliminary Design
- Environmental Document

## Spring 2020

- 2<sup>nd</sup> Public Involvement Meeting

## Spring 2021

- Final Design

## Spring 2023

- Construction (Dependent on budgeting and/or grant award)

## Anticipated Construction Costs

- \$4.2 Million
  - \$1.0 M (Path)
  - \$3.2 M (Structure)

## Autumn Ridge Path

Last Updated: 10/10/2019

### Project Details

The Autumn Ridge Path is a proposed multi-use path that will connect users between Milwaukee Street and Commercial Avenue north of Highway 30. The proposed path will include a bridge overpass of Highway 30.

Public Information Meetings, discussions with Alders, and input from various committees and boards will be utilized to determine a preferred alternative for construction. More information regarding the first Public Information Meeting will be provided as the date approaches.

### Tentative Project Schedule

First Public Information Meeting - Fall 2019  
Preliminary Design - Winter/Spring 2020  
Second Public Information Meeting - Spring 2020  
Final Design - Spring 2021  
Construction - Spring 2023

### Project Details

- Project Type: [Bike](#)
- Location(s):
  - 4302 Milwaukee Street
  - Madison, WI 53714
- Area: East
- Aldermanic District(s): [District 3](#), [District 15](#)
- Project Status: Planning

**Please Return by November 22, 2019**

# Additional Input Requested: “Potential American Family Connector”

# Comments or Questions ?

**AUTUMN RIDGE PATH CONCEPT PLAN**

**EXAMPLE BRIDGE**

**EXAMPLE ENHANCED CROSSING**

The main image is an aerial map showing the proposed path route in green. Key features and callouts include:

- New bridge**: Located at the top of the map, crossing a road.
- New path segment**: Two segments are labeled, one in the upper middle and one in the lower middle.
- Add shared lane markings along Stein Avenue**: A callout pointing to a road in the middle-right section.
- Widen existing sidewalk to 10 feet**: Two callouts, one in the middle and one in the lower middle.
- Widen existing path to 10 feet**: A callout in the lower middle.
- Enhanced crossing of Milwaukee Street**: A callout at the bottom of the map.

Inset images:

- EXAMPLE BRIDGE**: A photograph of a modern concrete bridge with a metal railing.
- EXAMPLE ENHANCED CROSSING**: A photograph of a street crossing with a crosswalk, a pedestrian crossing sign, and a directional arrow sign.

Legend (top right):

- Existing Bike Facilities
- Bike Lane
- Off Street Paths

North arrow (red 'N' with arrow) is located on the right side of the map.

Logos for the City of Madison and SEH Toole Associates are in the bottom right corner of the map area.
