

Agency Overview

Agency Mission

The mission of the Clerk's Office is to provide equitable access to open government by promoting inclusion and full participation of all residents in the democratic process.

Agency Overview

The Agency facilitates the right to vote, provides access to open meetings and open records, offers impartial license administration, and supports the legislative process. The goal of the Clerk's Office is to increase access to open government. The Clerk's Office will advance this goal by remaining engaged in the Racial Equity and Social Justice Initiative (RESJI) and Neighborhood Resource Teams; streamlining City agency approvals of license applications; continuing computer-free voter registration at community centers, food pantries, and community events; developing informative materials to increase compliance with the city's lobbying ordinance; and posting committee meeting agendas more than 48 hours in advance.

2022 Budget Highlights

The 2022 Adopted Budget:

- Provides funding to support the 2022 election cycle, which includes elections in February, April, August, and November. The anticipated cost of administering the 2022 elections is \$2.1m, a \$1.3m increase from 2021. The funding level supports increases in costs related to administering two additional elections compared to 2021.
- Includes reductions of \$78,100 (or 2.2%) from the Clerk's cost-to-continue to Adopted Budget. Changes include:
 - Using Fleet Services to transport election equipment rather than a third-party moving service (Ongoing reduction: \$28,100).
 - Reducing advertising services that are not legally required (Ongoing reduction: \$10,000).
 - Reducing the budget for election official greeter positions; the Clerk's Office will determine which sites to implement this change to minimize impact to voters (One-time reduction: \$40,000).
