## Employee Assistance Program

## Agency Overview

## Agency Mission

The mission of the Employee Assistance Program is to provide free, confidential services to help prevent or resolve personal, family, and workplace problems affecting employee wellbeing and job performance.

## Agency Overview

The Agency offers confidential assistance through external and internal staff to provide coverage and resources for current and retired City of Madison employees, families of employees, and significant others of employees at no charge for use of services. Services provided by the agency include, but are not limited to, critical incident stress management services, consultation services for managers and union stewards, and ongoing education and training. The goal of the agency is to collaborate with other City agencies, insurance providers, and the external EAP provider to improve service delivery. The Employee Assistance Program will advance this goal by improving technological tools and data, continuing support of First Responder Peer Support Teams, and expanding training.

## 2022 Budget Highlights

The 2022 Adopted Budget:

- Includes a $\$ 7,000$ decrease for EAP's external employee assistance provider compared to the 2021 Adopted Budget. This decrease brings the budget closer to actual spending and does not impact service levels.
- The 2021 Adopted Budget included a $\$ 6,000$ reduction to bring the hosting of agency software in-house. After review, it was determined that external hosting provides the best privacy for employee data. The 2022 Adopted Budget includes funding to continue the contract for external hosting of EAP software.
