Project Description

This project funds the redevelopment of the Community Development Authority (CDA) owned Village on Park. The goal of this project, in partnership with the Urban League of Greater Madison (ULGM), is to develop a Black Business Hub—a brick-and-mortar space for minority business owners to develop and stabilize their businesses and to help ensure wealth creation opportunities in south Madison for black and other minority-owned businesses. This project will include conveyance of a remediated, development-ready parcel at the southeast corner of the ULGM site, demolition of the existing north building of the Villager Mall and replacement with a surface parking lot, development of affordable housing, and development of structured parking adjacent to the south end of the mall. A total of \$11.2 million was previously approved for the project in 2022 through separate resolution and the adopted capital budget.
