Dear Heidi and City of Madison Employees,

Thank you for hosting a food/fund drive and for collecting \$4,547.50 and 502 pounds of food. Your gift will help Second Harvest Foodbank provide nutritious food to our neighbors facing hunger in the communities we serve.

Your generous support does more than just help local families in our community – you're providing kids what they need to reach their full potential, seniors what they need to stay in their homes, and struggling families a little more light at the end of the tunnel. For every 1.2 pounds of food donated, you are helping to provide 1 meal. Your gift truly does make a difference.

Thank you again for your gift and partnership. Together, we can end hunger in southwestern Wisconsin.

With gratitude,

*Thank you!*

Michelle Orge  
President/CEO
