3	No. I go on foot or by bike.	1/17/2020 5:36 PM
4	No sidewalks from Orchard Street west to the picnic shelter and beach area. Paths are narrow, muddy and ice or water covered. Terrible for people with strollers or walkers	1/17/2020 12:55 PM
5	Usually walk, but hazardous.	1/17/2020 7:17 AM
6	I wish the shelter were open more	1/16/2020 1:46 PM
7	this is a very congested area and doesn't need more traffic.	1/16/2020 10:19 AM
8	none	1/16/2020 10:04 AM
9	Run through Vilas Park almost daily. When it's muddy (end of winter/spring) harder to run from St. Mary's into park because paths can become total mud.	1/16/2020 9:12 AM
10	The only barrier is zoo traffic and parking make the area sort of busy on some weekends. It'd be nice if there were a safer feeling way to get across Park St with a stroller or bike trailer.	1/16/2020 8:58 AM
11	Not really though the walkway by the small playground next to the zoo tends to get muddy and flooded after rain in any season.	1/15/2020 10:46 PM
12	This is a city park and often it feels as though the people who can afford to live in its surroundings do not want the rest of the city residents to enjoy the area.	1/15/2020 9:49 PM
13	Yes, it's hard to find parking in the summer during the weekend (I start looking along Wingra) and if you don't find a spot, you have to go a long ways around to the north side of the park.	1/15/2020 8:18 PM
14	Crowded on nice days.	1/15/2020 7:35 PM
15	No barriers affect me.. as I live walking distance Away.. and often ride a bike along the Vilas Park road	1/15/2020 7:34 PM
16	Not really!	1/15/2020 7:16 PM
17	Connect the path around the lake please	1/15/2020 7:05 PM
18	Pedestrian and bicycle traffic do not have safe options when snow, mud, rain or ice reduce roadway safety or path usability	1/15/2020 6:39 PM
19	Not really, the path is nice for walking the dogs except by the old shoe playground, some parts of that path always have puddles. It would be nice they were properly graded.	1/15/2020 5:22 PM

31	Chaos of some weekends and badger game days can make access unpleasant.	12/30/2019 10:29 PM
32	A lot of standing water when it rains prevents paths and grass from being usable.	12/30/2019 9:59 PM
33	Not. But I don't know how quick the paths are cleared when it snows. I typically walk through the grass when there is snow. The one way is sometimes annoying, but I like that it cuts down on traffic and the way around the neighborhood is just as fast if you're going somewhere else in the Vilas neighborhood from Wingra Drive.	12/30/2019 8:41 PM

69	Parking.	11/26/2019 4:32 PM
70	The path near the shoe is often flooded so we don't go to that area as much in the winter when its all icy. The play ground near the fountain is limiting. We live very close to that structure. It's our preferred park to go to because of proximity. My daughter loves the dinosaur but the rest she's to old for. Can you get a new structure and swing set there?	11/21/2019 10:32 AM

149	The lake gets nasty and beach is often closed.	8/14/2019 2:49 PM
150	Not enough side walks to walk safely on with children.	8/14/2019 1:59 PM
151	The large puddles along Wingra drive in the spring/summer/fall make an already scary family bike ride to the shoe park even more daunting. A proper sidewalk along the Wingra side and/or a continuation of the bike path is an absolute must in my mind.	8/14/2019 1:54 PM
152	Unsafe - dangerous walking from Orchard St to Windgra Drive Zoo entrance due to no pedestrian sidewalk and heavy traffic with drivers driving too fast. There should be a posted speed limit set at 15 miles hr and the area from the northern end road bridge to where Wingra Drive meets S. Mills should be posted as a park/habitat area. Better yet, this whole stretch should be closed to traffic and made into a pedestrian only stretch, open only to Emergency Service vehicles.	8/14/2019 1:35 PM
153	no	8/14/2019 1:28 PM
154	The puddles on the paths are seasonal and barriers.	8/14/2019 1:17 PM
155	Geese poop is sort of a barrier, as I ave to be careful when to let my kids run around.	8/14/2019 1:15 PM
156	dangerous walking from my home on Haywood because of that long stretch with no sidewalks; + people speeding through the busy stretch near the zoo and beach--they seem to use the park as a cut-through and this endangers all those families with little kids and strollers who have no safe place to walk	8/14/2019 1:14 PM
157	We travel to the park from the east on Wingra dr and the condition of the road between the zoo and lake Monona is terrible. We travel w/ young kids on bikes and the large puddle that is always present on the toad combined w/ lack of a sidewalk makes for a very dangerous situation.	8/14/2019 1:03 PM

161	I live near the park and regularly run, bike, and walk through the park. The road is too narrow to safely accommodate bicycles and pedestrians, especially between the south end of Orchard St. and the entrance to the zoo. It would help to have clearly labelled bike lanes on both sides of the street throughout the park. As it is, there's only a very narrow bike lane on one side of the road from Edgewood to the zoo entrance and no bike lane at all east of the zoo entrance.	8/14/2019 12:51 PM
162	No. I don't think I understand the question. Is it a reference to the public bathroom?	8/14/2019 12:19 PM

164	mosquitos in the summer, dogs without leash more often lately	8/14/2019 8:52 AM
165	Yes! Traffic along the road is frightening. Cars speed, bikes do not have safe passage between the dam and past Vilas Zoo, this is even worse when the sort oath along the lake is muddy, snowy or flooded. I am very concerned because the traffic study is happening right now when commuter traffic is greatly diminished due to the Haywood/Mills/Wingra/Arboretum Dr intersection. We bikes to the zoo today and felt safer with our 6 year old than we have in 6 years.	8/14/2019 12:00 AM

1	Had no clue there was a shelter!	1/22/2020 8:00 AM
2	Never had the opportunity	1/21/2020 3:32 PM
3	I don't ice skate, although I bought a hot chocolate once while walking around there. It's a nice spot for skaters in the winter.	1/16/2020 10:05 AM
4	... I didn't realize that was open to the public!	1/15/2020 7:16 PM
5	I would use it if the path was connected around the lake	1/15/2020 7:06 PM
6	I have attended at least one event there, but have not been involved in organizing any shelter events.	12/28/2019 5:32 PM
7	No cause to use it... generally only walk or bike in area	12/28/2019 9:39 AM
8	The shelter is not very inviting and I have seen some people smoking and drinking near the shelter which made it even less inviting	12/27/2019 6:39 AM
9	didn't know there was a shelter. it looks pretty rough around the edges - not sure I would ever want to use it considering.	12/19/2019 8:17 AM
10	I'm not clear on whether it's simply a public space or if you need a reservation to use it?	12/18/2019 4:14 PM
11	We have considered using the shelter for group events a few times over the years, but have chosen alternative locations for various reasons. It seems nice!	12/18/2019 11:42 AM
12	It is a nice amenity to have available.	12/18/2019 9:09 AM
13	I am worried that it is not safe. I am elderly and visit Vilas alone.	12/17/2019 9:39 AM
14	It always has people having a few beers sitting in it. Like a refuge for those people. Doesn't really bother me, but it's not incredibly inviting.	12/17/2019 7:43 AM
15	We don't have big parties	12/17/2019 4:57 AM
16	It's not clear to me when it's open and what it offers	11/24/2019 1:32 PM
17	Haven't yet had the need for it. I like that it's there as an option.	11/12/2019 4:37 PM
18	I have used the shelter attached to the ice rink in the winter. It needs upgrades. Otherwise have not used the shelter at all.	11/12/2019 4:26 PM
19	We aren't usually in that part of the park	11/9/2019 7:35 AM
20	I'm just one person. I don't need a shelter.	11/2/2019 2:29 PM
21	Not much around for kids to do close by	10/17/2019 1:06 PM
22	I haven't had a reason to, but am interested in using the shelter in the future for my kids birthday parties.	9/19/2019 10:36 AM
23	I know it's there thought it was for zoo use	9/13/2019 4:48 PM
24	I never knew there was one. Could be updated. The picture looks like it is old and run down. Might be nice if was nicer to attract small parties of people to use or possibly nice enough to host weddings at the park outside area or small ones inside. ??	9/10/2019 11:33 AM
25	Our family just hasn't had to use it. We like to stay outdoors as much as possible and I don't recall using the shelter in the last 20 years.	8/22/2019 9:56 AM
26	I have only used	8/21/2019 10:27 AM
27	The shelter does not look inviting.	8/20/2019 8:40 AM
28	It's not very inviting, and it's not clear what amenities are provided there. As a cyclist, I want a place to park my bike, a place to get water, and a bathroom. Every time I try to find a public bathroom at a Madison park, it's usually closed/locked.	8/19/2019 11:14 PM
29	Not familiar with it	8/19/2019 8:56 PM
30	Does it have bathrooms? Is it open for all? I don't have many occasions to use it but I don't	8/19/2019 10:01 AM

32	I haven't gone with a group	8/18/2019 11:07 AM
33	Haven't been sure that it's open. Not like the one at Tenney park or other shelters. Not open or welcoming.	8/16/2019 1:03 PM
34	Never had a reason to use the shelter for it's intended purpose. Have used the restrooms before though.	8/15/2019 10:00 AM
35	Haven't needed to use it.	8/15/2019 6:25 AM
36	Open and can be very buggy. Would be great if it was enclosed and had multiple sections for multiple simultaneous rentals.	8/14/2019 5:21 PM
37	It is a dated building and the rules aren't clear regarding its use. I'm not sure if it is free for anyone to use at any time or if times have to be reserved. Also, it feels closed in which takes away from the park.	8/14/2019 1:39 PM
38	Wish there was community events there, ie group yoga or child storytimes	8/14/2019 1:23 PM
39	I have never had a need to to the shelter	8/14/2019 1:17 PM
40	I don't know too much about it, except that it always looks closed, so I thought it was a storage building or something.	8/14/2019 1:16 PM

1	Although the walking point by the lake is very congested, especially when there's an event.	1/23/2020 5:46 PM
2	This has been only last several years with end of large gatherings of single men smoking, drinking and playing loud music from cars near the Beach and shelters	1/17/2020 1:07 PM
3	as safe as anywhere in the city	1/16/2020 10:20 AM
4	Although I thought it was odd that no dogs were allowed, yet I see dogs there all the time. I don't actually CARE, I like dogs well enough--and people seem to clean up after themselves--but it's weird.	1/16/2020 10:11 AM
5	Neighborhood is unfriendly	1/15/2020 9:51 PM
6	But mud holes (drainage problems) are not particularly welcoming.	1/15/2020 7:40 PM
7	I would feel more welcome if the path was connected around the lake	1/15/2020 7:07 PM
8	Traffic is currently unsafe in the park	1/15/2020 6:45 PM
9	Dogs, especially off-leash, sometimes discourage me from using the park	1/15/2020 5:31 PM
10	The road from Orchard Street into the park to the west often feels unsafe due to lack of sidewalk and traffic.	1/15/2020 5:26 PM
11	I feel safe overall, but there are a lot of cars that drive through at night. I need to be attentive and make sure I'm not walking too close to the road.	1/15/2020 5:20 PM
12	Various areas of the park along the car drive ways tend to be used for nefarious activities such as drug dealing, which doesn't feel safe. There is also a lot of overgrowth around the parcel near Annie Stewart fountain and the walking path which creates a dark and unsettling environment for use after dark	1/15/2020 2:21 PM
13	The counter-traffic bike lane on Vilas Park Drive is a mess - it's small, disappears in places, and is very bumpy. Going the other direction, biking in the road is pretty uncomfortable because of the poor road maintenance	1/11/2020 11:19 PM
14	Not at night of course, but I feel safe during the day.	12/28/2019 5:36 PM
15	Car traffic on Wingra Drive goes too fast.	12/28/2019 10:48 AM
16	I have felt the parking lots have had people drinking/partying out of their cars	12/27/2019 6:43 AM
17	I rarely go because I can't take my dog with me.	12/27/2019 6:23 AM
18	Yes during daytime, no at night due to extreme darkness.	12/26/2019 11:14 PM
19	Safe, if we are talking about people; Safety from cars? not so much. Would prefer better pedestrian/bicycle path protected from traffic. Especially, right at Orchard -- now that you can't get in the zoo there, you end up walking in the street.	12/26/2019 5:42 PM
20	swimmers make too much noise. move swimming to a different lake.	12/19/2019 8:18 AM
21	The only problem I have encountered is not having a proper sidewalk or separate path to walk on along Lake Wingra. I walk this route almost every day with my dog and we have to scurry over the bridge (to avoid traffic) and then walk in the grass to avoid being in the road. I wish there were a sidewalk or separate walking/biking path.	12/18/2019 4:18 PM
22	sometimes the cars or loud music near the beach are mildly concerning.	12/17/2019 9:36 PM
23	I would like to come to the park in the evening, but I don't think that it is safe enough for me to walk there. I've seen some rowdy people. They park in the lot by the shelter.	12/17/2019 9:43 AM
24	Increased potential crime at night- mostly teenage drug dealing.	11/26/2019 6:11 PM
25	At times there are people in the park with kegs that are urinating in front of children. Sometime the environment does not feel safe for women.	11/26/2019 4:10 PM
26	Feel most at risk as a pedestrian walking along roads south of zoo with no sidewalks.	11/12/2019 7:57 PM
27	I don't feel 'unsafe', but sometimes the drinking and excessive parting on summer weekends	11/12/2019 4:28 PM

	prevented me from taking little kids.	
28	I feel it's a safe place for safes.	11/3/2019 1:54 PM
29	Need to keep undesirable people out of the park and neighborhoods	11/1/2019 2:20 PM
30	N/A	9/19/2019 10:37 AM
31	Safe, yes. Welcome, no, goose poop is disgusting. This is the perfect park for more dogs that would scare away the offending geese at least if dog owners could learn to reliably pick up after their "family members."	9/14/2019 8:33 AM
32	The geese are the main problem when their droppings make the beach unusable.	9/14/2019 7:57 AM
33	Again, it can be dangerous for walkers and bikers because of cars driving very quickly through there are the lack of a separate biking/walking path and all the parking along the road. People drive very quickly.	8/27/2019 12:59 PM
34	Safe yes, but wonder how welcome I am after reading some of the comments from the recently held meeting. Sounds like those living in VILAS neighborhood consider those of us who live further away than a few blocks to be encroaching on THEIR PRIVATE park! Walk or bike or park at some REMOTE location to visit the park. Not everyone can walk or bike to the park, distance is too great & shuttle is discriminatory of those who don't live within walking distance. Makes me feel VERY UNWELCOME!	8/21/2019 8:55 PM
35	At night, the park feels a lot less secure largely because a huge part of the park is not well-lit. I sometimes (reluctantly) bike through on my way home from the UW campus.	8/21/2019 7:41 PM
36	Vilas park drive can be unwelcoming when heavily occupied	8/20/2019 9:06 PM
37	except don't always feel safe when walking or biking along Vilas Park Drive, due to car traffic	8/19/2019 10:58 AM
38	Normally nice place to visit and fish or walk	8/18/2019 12:32 PM
39	We feel secure but I don't feel safe having my 4 year old son ride his bike. Cars drive too quickly and there is no separation between cars and bikes. Also, I have on a couple of occasions, almost hit on my bike by a car that was backing up	8/17/2019 9:27 PM
40	certainly not as much as in past years	8/15/2019 11:14 AM
41	When I'm riding my bike, the presence of motor vehicles, without a protected space, sometimes makes me feel unsafe, especially when the zoo is busy or when commuters use the park drive as a shortcut.	8/15/2019 7:56 AM
42	except for walking children in areas where there is not designated side walks.	8/14/2019 2:01 PM
43	Generally speaking the park feels safe and welcome but at dusk the area near the beach and Vilas parking lot off of wingra can draw some questionable activity.	8/14/2019 1:44 PM
44	except for the traffic issue and lack of sidewalks that I mentioned earlier	8/14/2019 1:18 PM
45	I always feel safe there during the day. I sometimes run through the park at night, and it's a little creepy running past the cars that are parked along the lake shore at night. I think there are a number of people who basically live out of their cars who park their regularly at night. I feel for them because they probably have nowhere else to go, but it does make the park feel a little unsafe at night. Also, I feel like there are illicit activities (drug dealing, etc.) that are conducted from parked cars there at night.	8/14/2019 1:04 PM
46	I don't always feel safe	8/14/2019 12:32 PM
47	I like the level of activity there is in the park now. I am not looking for a significantly "beefed up" park. I wouldn't want grills around, for example. It's a city park, not a full-service, all-day state park, but a place to spend a few hours or an afternoon, alone or with family or friends. More parking would be nice.	8/14/2019 12:32 PM
48	Access from Wingra drive is awful for bikes and children. This needs to be addressed for safety ASAP. Also it would be SO helpful for the zoo to increase entrances/access points for safety and accessibility.	8/14/2019 12:05 AM
49	Often dogs are off leash which makes me feel unsafe especially for my young child.	8/13/2019 12:51 PM
50	Bike paths are not safe w cars & buses plus so many excited kids on same sidewalk or	8/12/2019 9:31 AM

are my favorite spots in the winter. The lagoon rivals skating opportunities at Tenney Park. The open field north and west of the lagoon is great for recreating, star-gazing and relaxing. I love the bridges that cross the lagoons because it allows for a unique vantage point to the water and aquatic life.

68	Walking the perimeter of the park, with stunning views of Lake Wingra and along the creek.	12/30/2019 7:15 PM

## Q10 What would you change about Vilas Park?

Answered: 334 Skipped: 162

## Vilas Park Master Plan Community Input Survey

#	RESPONSES	DATE
1	Separate the road and walk-way near the Wingra Lake.	1/23/2020 5:46 PM
2	updated park shelter	1/22/2020 7:55 PM
3	The tennis courts need some work, the drainage on the path nearest the zoo is often muddy and/or under water, more shade is needed, water quality in the lagoon is bad-smelly and unattractive	1/22/2020 8:12 AM
4	Newer, modern amenities. An indoor clubhouse. More classes/courses. Better messaging about what's available to do at Vilas (is there actually an ice skating rink?)	1/22/2020 8:02 AM
5	reduce traffic	1/21/2020 3:33 PM
6	Walking access and paths, parking by zoo is rough,	1/17/2020 5:39 PM
7	Add an off leash dog park	1/17/2020 4:35 PM
8	Sidewalks, too much through car traffic from Edgewood side with cars & trucks speeding through pedestrian areas	1/17/2020 1:07 PM
9	Please remove shredded tire composite from playgrounds - there are concerns about the chemicals our kids can be ingesting. (I have young kids whose hands get black after being at these playgrounds) Please go back to just having sand. Please add a bike path/walkway from the bridge through the park by Wingra Lake.	1/16/2020 11:33 AM
10	nothing. leave it alone!	1/16/2020 10:20 AM
11	Better pavement, and reconfigure the bike lane where it wavers behind the parking lane near the lagoon. That;s weird. Also, the place where you cycle from the street back onto dedicated path, near Orchard Street, is too abrupt. It's like a 90 degree angle rather than a smooth merge and it's awkward to use. I imagine that people who live beyond walking access would like more parking.	1/16/2020 10:11 AM
12	Because running (or walking) is my main interaction with Park, I would really love if a better continuous running path was made through it roughly along lake line. Problem areas now: informal path from St. Mary's side (often becomes muddy), then have to cross street at beach which is odd, and then the little bridge never feels good (especially if two people encounter each other going opposite ways and there is a car coming), and then have to cross street again on other side of bridge.	1/16/2020 9:15 AM
13	Less confusing paths/access.	1/16/2020 9:01 AM
14	improve safety of bike/ped access from Bay Creek neighborhood (extend grade-separated path through park)	1/16/2020 8:39 AM
15	Make a greenway pedestrian connection around Lake Wingra by working with Edgewood and UW Arboretum. Add 2-3 formal pocket "locations with seating (including shading) along the shoreland. Keep active and passive areas separated.	1/16/2020 8:03 AM
16	more fishing piers, additional playground near the shelter. basketball court	1/16/2020 7:01 AM
17	The shelter needs a bit of an upgrade. The quality of the water is quite poor. The flooding of the fields which make them unsuitable after any amount of decent rain.	1/16/2020 4:30 AM
18	The isolation of it from the surrounding neighborhood	1/15/2020 9:51 PM
19	Better drainage, more natural landscaping and less mowed fields. Maybe more trails for walking. Could reconsider parking but I don't how you can fix that.	1/15/2020 8:26 PM
20	Allow on all walking paths and certain green areas.	1/15/2020 8:25 PM
21	A few more water drinking fountains along the Road. More frequent dredging of the algae. More ..or better historical displays .. like In regards to the Wisconsin olympians. Making The transition over to the Arboretum safer for Pedestrians and bicyclists. Better Preserving The mound areas and the large memorial fountain. Most immediately.. the sidewalk Next to the big field near the zoo is often Muddy and needs to be raised ! Currently Pedestrians have to walk onto the field to bypass the muddy patch.	1/15/2020 7:50 PM
22	Get rid of litter.	1/15/2020 7:40 PM

## Vilas Park Master Plan Community Input Survey

23	There are a number of soggy/wet patches after a rain or snow that are swampy and make it hard to enjoy the grass/playground.	1/15/2020 7:20 PM
24	I would make the swimming area go out into deeper waters!	1/15/2020 7:17 PM
25	The path connected around the lake	1/15/2020 7:07 PM
26	Traffic pattern along Lake Wingra	1/15/2020 6:58 PM
27	Add a pedestrian/bike path. Lower the speed limit.	1/15/2020 6:45 PM
28	Enforce dog restrictions, severely slow down cars	1/15/2020 5:31 PM
29	more walking paths	1/15/2020 5:28 PM
30	Access roads desperately need updating with sidewalks	1/15/2020 5:26 PM
31	Not sure, I wouldn't swim there it is too yucky and too many geese. I have used the playgrounds it would be nice if there was more seating and if people put their wrappers in the trash.	1/15/2020 5:24 PM
32	Aesthetics and some of the layout for group use. More access to walk and sit by the water without cars, shelter improvements, fountain restoration, significant improvements & protection of burial mounds with visible historical education boards for the public to better understand the importance of the area	1/15/2020 2:21 PM
33	Fewer buses in the summer time	1/14/2020 2:13 PM
34	better roads and better bike/run lanes	1/14/2020 1:36 PM
35	Better pedestrian walking path along Lake Wingra.	1/14/2020 1:18 PM
36	Make the current road more friendly to pedestrians and bicyclists.	1/14/2020 1:18 PM
37	Better playground equipment, add public restrooms, fix flood areas, consider splash pad. Consider solar power wherever possible	1/13/2020 8:57 PM
38	Improved cycling access	1/11/2020 11:19 PM
39	More walker friendly, especially on the drive-thru	1/10/2020 1:33 PM
40	Eliminate all the goose poop!!	1/9/2020 3:00 PM
41	Nothing I can think of!	1/9/2020 10:27 AM
42	The tire scraps in the play area	1/8/2020 9:10 PM
43	Separate bike and vehicle traffic	1/8/2020 7:19 PM
44	better/more/connected running, walking, and biking paths that are not necessarily shared with cars.	1/6/2020 12:46 PM
45	Not too much! Just maybe a way to prevent flooding, so that the fields and pathways don't become unusable during the spring?	1/5/2020 10:15 PM
46	get rid of goose shit	1/3/2020 7:51 PM
47	Speeding cars	1/3/2020 7:33 PM
48	Make the road one way to eliminate the through traffic. then we would truly have a beautiful park. Road could extend to teh Zoo parking but not allow traffic to flow through the park. For many itis just an artery tto drive through instead of using the city streets	1/2/2020 1:19 PM
49	I would close the road to through traffic. Cars "cutting through" to other streets endanger walkers, children running to the zoo and beach, toss garbage, and disturb the nature aspect of the park.	1/2/2020 10:26 AM
50	No through traffic of cars or a better option for biking/walking along the water	1/2/2020 6:34 AM
51	Renovate/upgrade shelter facilities, fill in swampy part of the field, bring back the concession at the beach shelter, groom the ice for skating. When upgrading playground equipment, include some equipment that appeals to a wider range of ages of children. Other than these basic things, leave the park as it is. It is great the way it is.	1/1/2020 2:37 PM

52	Traffic	1/1/2020 12:14 PM
53	I've appreciated efforts to reduce the geese and keep the water cleaner. I wish we could swim in Lake Wingra with less exposure to harmful bacteria. I also wish we could find ways to naturally control the mosquito population. They are fierce.	1/1/2020 8:41 AM
54	clean up lagoon from algae etc.	12/31/2019 9:41 AM
55	Too many cars, and confused or indifferent drivers going the wrong way. Too little "landscape design" detail to make it a unique place.	12/30/2019 10:39 PM
56	Provide more protection for the wildlife from people and activities. Additional basketball court.	12/30/2019 10:04 PM
57	I would restore some of the shoreland along Wingra Drive for more pollinator habitat and to help with stormwater runoff. I'm assuming salt is used along the road during the winter so it might help take up some runoff from that although excess salt isn't great for prairie/pollinator habitat. Obviously people use that shoreland for fishing, but it would be great to restore some of it to more natural habitat versus the turfgrass that is there right now.	12/30/2019 8:48 PM
58	Add a pedestrian and bike path along the south edge of the park. Right now, it can be uncomfortable trying to walk, run or bike along the road.	12/30/2019 7:15 PM
59	I can't think of anything.	12/30/2019 6:50 PM
60	Allow dogs on leash	12/30/2019 1:28 PM
61	Fixing fountain on hill above Zoo.	12/29/2019 10:24 PM
62	Create a better path from Drake Street at Campbell street. Create an interactive rain garden with paths through it in the area that frequently gets flooded between Drake Street and the parking lot and the zoo (this is already an enclosed depression).	12/29/2019 5:38 PM
63	Better pedestrian accessibility along the Lake Wingra drive.	12/29/2019 9:48 AM
64	Nothing in the park, but I wish we could get the lake healthy for swimming.	12/28/2019 5:36 PM
65	Safer water for swimming (less algae/bacteria pollution from runoff)	12/28/2019 1:19 PM
66	Close the street	12/28/2019 10:48 AM
67	Stop the through traffic over Vilas Park Dr. Only allow emergency vehicles over the pond bridge.	12/28/2019 5:12 AM
68	Transportation to and through the park (car, bike, bus)	12/27/2019 3:13 PM
69	Renovate/ redesign the shelter...more updated and inviting. Large public art would be nice. outdoor beer garden near the water (like Olbrich)	12/27/2019 6:43 AM
70	make most of it available for on-leash dogs.	12/27/2019 6:23 AM
71	sidewalks and bike paths separate from roads for cars, more lighting at night	12/26/2019 11:14 PM
72	Remove traffic. Open shelter longer.	12/26/2019 5:42 PM
73	More trees/shade on the playgrounds.	12/20/2019 1:45 PM
74	Bring in herding dogs or use better efforts to control/flush the overabundance of nesting and migrating Canada geese ! Plant erosion-control trees and similar native vegetation along the drive adjacent to Lake Wingra!	12/19/2019 1:16 PM
75	less swimmers	12/19/2019 8:18 AM
76	In thinking about the map and project scope, how is it the park extends east of the zoo? It almost feels like the zoo should simply expand into that area.	12/19/2019 7:56 AM
77	Would like to see some decorative gardens	12/18/2019 8:06 PM
78	Repair the areas that flood on the walking paths thru and around the park.	12/18/2019 5:27 PM
79	Add a sidewalk or separate walking/biking path around Lake Wingra.	12/18/2019 4:18 PM
80	I would love if there were a shoreline (or near shore) path that allowed people to walk or bike all the way around Wingra!	12/18/2019 4:06 PM

## Vilas Park Master Plan Community Input Survey

81	update the facilities (warming shelter, bathrooms, drinking fountains) and landscaping.	12/18/2019 3:46 PM
82	Add more walking paths	12/18/2019 2:55 PM
83	More nature: planting trees, putting in rain gardens; prairie...less lawn and more natural areas	12/18/2019 11:35 AM
84	Add outdoor ping pong, end automobile traffic.	12/18/2019 11:01 AM
85	Maybe try to limit drivers that use the park as a short cut.	12/18/2019 9:10 AM
86	I think there should be a better fishing boat launch and spots for fishing boats and trailers.	12/18/2019 5:52 AM
87	The main launch for fishing boats needs to be in Vilas Park	12/17/2019 9:36 PM
88	The shelter could be improved and I'd like to get those toxic rubber tires out of the playgrounds. I think there also needs to be a sidewalk along Vilas Park Dr - especially between Orchard St and the zoo.	12/17/2019 3:01 PM
89	We had a graduation at the shelter and the wind was exceptionally strong. Suggest the doors on the lake side be available in the summer too to block the wind. Schedule more recreational use there. It was always fun to watch youth soccer and parochial football there and then use the field striping for games with friends. Lots of history from the area could be displayed in signs around the park (park & pleasure drive, Indian mounds, Indian use of the lake, early Madison fire works, the day the monkeys escaped from monkey island and climbed neighborhood trees, etc	12/17/2019 2:22 PM
90	Leave the weeds grow around the pond. The frogs and toads need the weedy areas for health lives.	12/17/2019 9:43 AM
91	change some tennis courts to pickle ball	12/17/2019 8:36 AM
92	less grass and more natives.	12/17/2019 8:21 AM
93	Need restroom other than at shelter	12/17/2019 7:49 AM
94	The area between the tennis courts and the playground is frequently soggy and wet. I'd do something to fix that and make it more usable.	12/17/2019 7:46 AM
95	Not much, Perhaps have some gardens of native forbes for butterfly watching and more shrubs with fruits to attract birds along wooded edges	12/17/2019 5:02 AM
96	Have paddlesport rentals..	12/17/2019 12:42 AM
97	Park Shelter needs to be updated and made more inviting.	12/16/2019 9:41 PM
98	Improved lakeshore route - safer for walkers, bikers, strollers, and more aesthetic, protecting the lake; less car traffic on the drive by the lake; off site parking bringing people to the zoo	12/16/2019 9:23 PM
99	Make canoe and kayak launching easier. Clean up shore line and shallows to make lake more inviting.	12/16/2019 9:22 PM
100	Enjoy people to keep it cleaner.	12/16/2019 9:15 PM
101	less (and slower) automobile traffic on Vilas Park Drive	12/16/2019 9:08 PM
102	Would like to see more community events held there	12/16/2019 8:33 PM
103	Dog area	12/16/2019 1:47 PM
104	get rid of cars or severely reduce--maybe like Arb--only one day a week to drive thru, other wise must turn around	12/9/2019 5:54 PM
105	Make it possible to walk between Vilas and Wingra parks without being along Monroe St.	11/28/2019 9:20 PM
106	Nothing	11/28/2019 4:11 PM
107	Limit traffic if possible. Allow dogs	11/27/2019 2:18 PM
108	Add more dog friendly areas/fenced dog park. Better walking paths, especially along water. Better drainage in main park area.	11/26/2019 6:11 PM
109	Better sidewalks and kayak launch	11/26/2019 4:44 PM

## Vilas Park Master Plan Community Input Survey

110	Parking and traffic circulation.	11/26/2019 4:34 PM
111	It would be nice to have some paved, non-vehicle access along Lake Wingra that could be accessible to young bikers and those who need an even surface without having to worry about cars. allow dogs on-leash.	11/26/2019 4:10 PM
112	I wish there was an off-leash dog park within the park space. There are no dog parks within walking distance of campus/near west side.	11/26/2019 3:17 PM
113	I would like to see more bike friendly amenities at Vilas Park. I don't always feel safe biking through the park because of the lack of infrastructure/excessive amount of cars.	11/26/2019 10:30 AM
114	It should have the biggest play structures out of all the city parks. My daughter prefers the structure inside of the zoo most. It would be nice if the other 3 structure areas outside of the zoo became a larger attraction.	11/21/2019 10:40 AM
115	Drainage to eliminate standing water after rains. Update playgrounds (keeping Shoe slide) including the one up by the effigy mounds. Make playground by effigy mounds to include kids over 5 years old.	11/14/2019 3:53 PM
116	The road could be re-done. Improved bike lanes. Changing rooms in the beach bathrooms.	11/13/2019 10:14 PM
117	Update the play equipment (maybe add a fort structure like in Monona and Fitchburg)	11/13/2019 7:22 AM
118	Better bike lane(s) for families; wider parking spots; a water feature/fountain that kids can play in/with, like the fountain at the Union Alumni Park on the UW campus	11/12/2019 9:12 PM
119	Less traffic would be nice	11/12/2019 8:39 PM
120	More signage for indian mounds	11/12/2019 8:38 PM
121	Needs a refresh-updated equipment, flooding issues addressed, maybe more trees/variety of plants/vegetation. The lagoon is quite gross in the summertime--would love to see that cleaned up and maintained.	11/12/2019 8:37 PM
122	Better pedestrian access from south and east.	11/12/2019 7:57 PM
123	American Ninja Warrior course for kids and adults. Is there a better way to use the shelter or beach in the summer? Boat rentals from this part? A cafe in the shelter?	11/12/2019 7:13 PM
124	Add a family friendly beer garden right by the playground. There is one like this at Estabrook Park in the Milwaukee area and it is wonderful. Always full of families.	11/12/2019 4:39 PM
125	Improved paths/walkways/waterfront. More gathering places. Improved Ice skating facilities	11/12/2019 4:28 PM
126	Close road next to the lake to vehicular traffic and bus parking.	11/12/2019 3:19 PM
127	Better pedestrian [lane] when coming from the west to the east/south	11/11/2019 2:20 PM
128	Some parts of the path always seem to be underwater. The grass gets pretty soggy in general, but probably nothing can be done about that.	11/11/2019 11:26 AM
129	I love it as is, but 1. Would be nice to have a small off-leash dog area. 2. Would be awesome if the entire circle of the lagoon were available for skating.	11/9/2019 9:28 AM
130	Easier bike access	11/9/2019 7:36 AM
131	Restrict cars more.	11/9/2019 12:26 AM
132	Add more bike facilities. We often bike to the park and the single lane road and narrow bridge is less than ideal. I would like my young kids to feel safe biking in this park.	11/8/2019 10:25 PM
133	drainage? the grassy fields get so wet and soggy after rain or snow melt that their usage is limited, or for families walking from one playground to the other can be a slog	11/6/2019 1:24 PM
134	Reduce car access.	11/6/2019 12:43 PM
135	The roads and paths need fixed.	11/3/2019 11:51 PM
136	Nothing	11/3/2019 10:06 PM
137	There should be water lily golf.	11/3/2019 1:54 PM

## Vilas Park Master Plan Community Input Survey

138	Nothing. Well, maybe plant more trees.	11/2/2019 2:34 PM
139	More engaging activity spaces. Soccer goals! (Or multi-purpose turf/court). Wall in courts for hitting/kicking balls against. Better lay equipment for older kids or even adults— could incorporate workout capabilities. Community garden. Small fenced off-leash dog play area. There is so much underutilized space! There is no programming at Vilas— b-ball leagues, kids hockey/skating, tennis. Why doesn't Mscr offer anything at this park?	11/2/2019 10:01 AM
140	More designated pathing for runners/walkers separated from the road	11/1/2019 8:05 PM
141	Make it more accessible by bus	11/1/2019 3:33 PM
142	Make it like it was in 1975.	11/1/2019 2:20 PM
143	Nothing	11/1/2019 12:44 PM
144	Clean up the lake	11/1/2019 11:22 AM
145	Add more beach area. Add a few small trails	11/1/2019 11:11 AM
146	Can't think of much, maybe a splash pad or a newer shelter?	11/1/2019 10:17 AM
147	Upgraded tennis courts. More shade trees in some open areas. Make/keep lagoon area a natural looking habitat for birds. Add native wildflowers.	10/29/2019 7:48 PM
148	We live VERY close to the park and use it almost daily with our children. We also have a dog and walk him in the park daily. It would be nice to have more access for dogs, like a play area/dog park. It would also be convenient to have a restroom at the park. When I bring the kids to play, we often have to run home or all the way into the zoo. Lastly, the play equipment could use updating. Especially the smaller playground. And the shredded tires are SO messy! My kids end up with black hands and feet!	10/29/2019 1:11 PM
149	parking and signage	10/26/2019 9:21 AM
150	I would close the through road and make it so only bikes and pedestrians could cross the bridge from the western parking lot to the sharing parking lot. There are a ridiculous number of commuters in cars who cut through the park, which gravely affects the atmosphere of the park.	10/21/2019 5:50 PM
151	Rubber chips	10/17/2019 3:16 PM
152	The children's play equipment.	10/17/2019 1:45 PM
153	*Would make the playground a premiere playground for the city like many other cities have by now. Similar to Mary Dooley in Chicago..more interactive and learning based for the children ...but in this location more natural than Mary Dooley is... *Auxiliary facilities updated across the board. *Beach and swim areas could be updated, slightly enlarged. *More bike parking	10/17/2019 10:21 AM
154	Add a bicycle playground for little ones to learn to ride their bikes. <a href="https://www.nrpa.org/parks-recreation-magazine/2017/may/bentonville-gets-the-countrys-first-ever-bike-playground/">https://www.nrpa.org/parks-recreation-magazine/2017/may/bentonville-gets-the-countrys-first-ever-bike-playground/</a>	10/17/2019 9:53 AM
155	Better water quality and communication of safe swimming water quality	10/16/2019 2:46 PM
156	Water quality in lagoons	10/16/2019 11:59 AM
157	Generally satisfied with the way the park is now - could use upgrades (but not expansion) of existing facilities.	10/16/2019 10:04 AM
158	Drainage	10/3/2019 11:25 PM
159	More programming. Park feels disconnected/disjointed because of how far apart it stretches.	9/30/2019 2:25 PM
160	It would be nice to incorporate more nature play scapes to the area or build a one-of-a-kind play area to draw in tourists/people form the outskirts to make it a destination spot and then increase zoo traffic/donations	9/26/2019 8:54 AM
161	water quality and weeds.	9/19/2019 9:45 PM
162	Adding an off-leash dog park would be great!	9/19/2019 10:37 AM
163	well, less goose poop; possibly update and expand the shelter for additional mixed use; somehow improve the water quality; more picnic tables along the road before the beach	9/19/2019 10:09 AM

## Vilas Park Master Plan Community Input Survey

164	The shelter is not very attractive/welcoming. Also, I'd lift the dog restrictions: on-leash, on-path should be allowed.	9/19/2019 9:56 AM
165	Get rid of 98% of the slob geese and use trained dogs with their responsible owners to do it.	9/14/2019 8:33 AM
166	No geese!!!!	9/14/2019 7:57 AM
167	Create more space for the zoo. Get rid of the beach.	9/13/2019 4:52 PM
168	The trails need to be improved so water doesn't pool on them all year round. The roads/driveways/parking lots are in desperate need of repair/replacement. Water also pools on road consistently throughout the year. Would like to see more parking added at the main zoo entrance to avoid all the overflow into the neighborhood. I hate to see huge paved lots, but with a little reworking of the existing space, I think more spots could be added. Also adding better signage to indicate there is a lot more parking on the back (Lake Wingra) side of the zoo. Often those lots are nearly empty. I'd like to see the roadway on the back (Lake Wingra) side of the zoo repaired and more pedestrian friendly, maybe with a dedicated pedestrian lane, or completely separate path. I'd like to see the roadway be a more beautiful, scenic, tree-lined boulevard.	9/13/2019 2:16 PM
169	Wider path along the shoreline	9/13/2019 1:29 PM
170	Road running through middle of two main attractions park and lake.	9/11/2019 4:17 PM
171	*update the playground think about little kids/toddlers and bigger kids. *update picnic areas. *update parking * Maybe add a splash pad. *update shelter looks beat up and run down.	9/10/2019 11:38 AM
172	Additional parking	9/10/2019 10:38 AM
173	There are some swampy areas that seem to be begging to be turned back into a slightly bigger wetland area.	9/5/2019 7:59 PM
174	I would add another basketball court. Like James Madison has two courts, we need an additional one to support demand at Vilas. Also, the shelter should have some fun games available, like ping pong/fuzzball/air hockey/darts. Maybe board games too. Also, there should be canoes and paddles available for free. Have 5 or so canoes/kayaks/paddleboards that dock at the boat launch area, that people can take out and use. Kind of like the Madison bike sharing system, but free. Add weekly/monthly city sponsored yoga/dance parties at the beach. Laser light shows too.	9/3/2019 1:02 PM
175	I realize the park was built on a wetland and notice a lot of mowed, open areas go unused. I would appreciate returning some of these areas to wetland for natural habitat recovery.	9/3/2019 11:04 AM
176	Add another basketball court	9/1/2019 7:54 PM
177	better, safer pedestrian and bike access. Right now, the priority for car access interferes with enjoying the lake and feeling safe. I would also like a better more comfortable ice skating shelter and swimming house.	8/27/2019 12:59 PM
178	Cleanup the waterways from some of the algae.	8/24/2019 7:13 PM
179	Playground and large shelter need updates. There needs to be a changing area in the bathrooms by the beach. The bathrooms also need a couple "family bathrooms" so moms can bring their sons in to the change and vice versa. Wish the beach would be closed less but there isn't much the city can do.	8/24/2019 10:30 AM
180	Improve the bike path from Vilas Park Drive to Grant St.	8/24/2019 3:12 AM
181	vehicles travel to fast	8/23/2019 2:32 PM
182	Better running trails that are more separate from traffic, particularly near parking on the strip next to Lake Wingra. Parking in general could be improved, as could bicycle accessibility. It's a bit congested getting to bicycle parking, which is also insufficient.	8/22/2019 10:54 PM
183	Vilas Park Drive is not very pedestrian friendly. Some places lack sidewalks.	8/22/2019 9:52 PM
184	Add an ice cream stand!	8/22/2019 5:38 PM
185	I'd like to see street food vendors for the summer and fall seasons. Summer food vendors could offer more than the typical ice cream treats and same for fall season.	8/22/2019 9:59 AM

## Vilas Park Master Plan Community Input Survey

186	I would add an ADA kayak launch and Pier into Lake Wingra	8/21/2019 9:31 PM
187	a playground NEAR the shelter; when we were there this past weekend for our family reunion including several children, I did not see a playground NEAR the shelter.	8/21/2019 8:55 PM
188	Tennis courts desperately need resurfacing	8/21/2019 8:19 PM
189	More lighting along the path closest to the zoo (the one that crosses the two bridges over the lagoon). There's also a spot on the same path seems like it's always under water especially in the spring and summer...sooo maybe some sort of drainage system to help with that.	8/21/2019 7:41 PM
190	Biergarten	8/21/2019 7:16 PM
191	Not sure--maybe nothing? I'd have to hear about others' ideas.	8/21/2019 7:02 PM
192	Dog friendly beach	8/21/2019 6:50 PM
193	I would like to see an outdoor adult workout area	8/21/2019 5:55 PM
194	No manicured lawns up to the shoreline. Move parking lots, roads, buildings, and paved areas beyond 100' from the lakeshore. Add or increase native pollinator gardens, natural shorelines, fishing piers, and paddleboat rental access. Emphasize passive recreation and the natural aspects of this park, including walking and biking paths over roads and car parking.	8/21/2019 10:39 AM
195	traffic that cuts through during rush hour	8/21/2019 10:28 AM
196	More, updated playground space	8/21/2019 7:34 AM
197	circulation and gathering spaces	8/20/2019 9:06 PM
198	Protected bike lanes along Vilas Park Drive	8/20/2019 8:48 AM
199	I would like to have a separate running/biking path from Vilas Park Drive because traffic can be heavy there.	8/20/2019 8:42 AM
200	Repave the main drive for bikes & cars with prominent crosswalks to protect pedestrians (particularly kids).	8/20/2019 12:27 AM
201	The pavement is unacceptably bad. Parking should be eliminated along Vilas Park Dr (from Edgewood Ave to the first parking lot) - there's no need for parking along this road, and it detracts from the beauty of the park by having a bunch of beat up cars parked along the road. Wayfinding signage needs to be improved. Cycling infrastructure is near nonexistent. Sidewalks/paths lack continuity.	8/19/2019 11:21 PM
202	Weedy lagoons	8/19/2019 10:41 PM
203	Better bike facilities. Updated shelter for skating.	8/19/2019 9:59 PM
204	Road is in need of repair Bike lane more defined	8/19/2019 9:49 PM
205	Add a beer garden	8/19/2019 9:00 PM
206	I love the food carts in the summer that Vilas has done. Would love there to also be a biergarten like at Olbrich. I think this would draw more visitors and would foster even more community.	8/19/2019 8:50 PM
207	Better boat loading and unloading.	8/19/2019 8:40 PM
208	Better bike access	8/19/2019 4:36 PM
209	Biking in and around the park is not ideal.	8/19/2019 3:45 PM
210	There is a part of the paved path that regularly floods and is covered by water or ice. I'd like to see the path raised or another solution implemented to avoid this issue.	8/19/2019 3:32 PM
211	Sometimes impossible to park. Have driven around for 15 minutes and given up. Same has happened to out of town visitors I sent there.	8/19/2019 2:30 PM
212	I would love to see a better bike route through the park. The current route puts me on poor pavement next to drivers who may be texting, speeding, or distracted.	8/19/2019 12:33 PM
213	reduce car traffic volume & speed, and/or separate car traffic from bike & pedestrian traffic	8/19/2019 10:58 AM

## Vilas Park Master Plan Community Input Survey

214	better bike access along the lake.	8/19/2019 10:47 AM
215	Make it easier for cycling, especially if coming from the Arboretum area	8/19/2019 10:38 AM
216	More bathrooms?	8/19/2019 10:02 AM
217	Ingress and egress is hard with my family when we are biking	8/19/2019 8:31 AM
218	More restroom access, keep the lake areas cleaner of weeds they build up and stinks. More garbage cans.	8/18/2019 12:32 PM
219	Water quality for swimming	8/18/2019 11:10 AM
220	Needs more trees	8/18/2019 9:51 AM
221	Maintain the lagoon ice better.	8/18/2019 7:06 AM
222	Allow dogs on leash	8/18/2019 7:04 AM
223	No car access along the water - reserve for bikes and pedestrians to keep the coast line serene	8/18/2019 2:58 AM
224	Updated shelter, cars not driving through the park and using it as a thoroughfare, walking path next to lake along the entire park, safer pedestrian walk ways, trees by playground, partner with SSM Health to provide shuttles on weekends when there are a lot of cars, have a bus stop in front of the zoo and/or inside the park, speed limit for cars, bike path that's separate from cars	8/17/2019 9:27 PM
225	Walking paths by lake, close off lake road to through traffic	8/17/2019 8:15 PM
226	Improve the shelter. Would prefer shelter to be near playground or add playground near shelter. Add a Biergarten like at Olbrich. Improve path system so could walk around whole park/to zoo and not have to go onto road (strollers have to go in road bike lane at certain points). If can't do improved path around park, then extend the path between playgrounds so that at least half of park has a solid walking path.	8/17/2019 3:23 PM
227	I wish it wasn't as wet on the grassy areas. I wish there was an easier connections from the bridges to the path by Vilas Dr., more trees, less water on Vilas Park Dr., more beach amenities (what happened to the snack bar?)	8/16/2019 6:49 PM
228	Traffic calming	8/16/2019 6:46 PM
229	Not have dogs.	8/16/2019 6:36 PM
230	More access to lake Wingra. Like Wingra Boats. Seasonal food stand, food carts?	8/16/2019 1:05 PM
231	working old stone water fountains	8/16/2019 11:30 AM
232	Better circulation routes for biking and walking. Traffic calming to reduce speeds and volumes on VP Drive.	8/16/2019 10:53 AM
233	Better access for running along the lake, not on the road.	8/16/2019 8:39 AM
234	Needs sidewalks along the road!! Feels unsafe with babies and walking so close to traffic. Needs sleep bumps. People cutting through go too fast. Needs better signage at one way section where it begins by zoo. Too many people drive wrong way, not realizing it. Need better signs when lake closed for swimming by public health. Last time there was one small sign on only one lifeguard stand. Most people missed it completely!	8/15/2019 10:04 PM
235	Connect bike path continuous through park. There is too much car traffic entering from Mills/Wingra side to feel comfortable walking/biking through park.	8/15/2019 8:03 PM
236	Do something about areas that get waterlogged near Drake/Grant and by lagoon. Update tennis courts.	8/15/2019 11:19 AM
237	NO DOGS ALLOWED! sick of stepping in crap	8/15/2019 11:14 AM
238	The walking paths could be updated. It would also be helpful if the bike/pedestrian lane in the road through the park was more clearly labeled.	8/15/2019 10:54 AM
239	Nothing!	8/15/2019 10:28 AM
240	Parking	8/15/2019 9:45 AM
241	Cleaner lake	8/15/2019 9:13 AM

## Vilas Park Master Plan Community Input Survey

242	More areas for adult use	8/15/2019 9:03 AM
243	Really crummy roads - should be dedicated sidewalk where cars drive through.	8/15/2019 8:45 AM
244	restrict motor vehicle access. Vilas Park Drive shouldn't be a through route for cars.	8/15/2019 7:56 AM
245	More seating, another playground	8/15/2019 6:28 AM
246	Add additional wayfinding throughout. A way to fix the giant puddle/ mud area along the walking path (near the giant shoe slide).	8/15/2019 6:16 AM
247	cleaner lakes to enjoy	8/15/2019 4:31 AM
248	Shaving/shoveling the frozen water on the the north side of the bridge for more skating area.	8/14/2019 11:17 PM
249	Less car traffic through park, less car parking along shore.	8/14/2019 10:25 PM
250	Na	8/14/2019 10:11 PM
251	Maybe animal art or interactive. Areas	8/14/2019 9:56 PM
252	Better management of the lake/lagoon weeds so swimming is better.	8/14/2019 9:40 PM
253	Better drainage along walking paths.	8/14/2019 7:13 PM
254	Easier driving when leaving the park. Not being able to exit eastbound from the beach area has been cumbersome with the road construction	8/14/2019 6:56 PM
255	More shelters for grad parties, family reunions, class reunions, quincieñeras	8/14/2019 6:34 PM
256	The road needs to be repaved.	8/14/2019 6:27 PM
257	I would make it more wheelchair accessible and update the beach/beach hours.	8/14/2019 5:32 PM
258	Add adult outdoor exercise equipment. More toddler size playground options. Enclosed shelter for rentals.	8/14/2019 5:24 PM
259	Build a shelter on a par with the one at Tenney. Dredge the lagoons. Restore speed skating.	8/14/2019 3:09 PM
260	Lagoon area and beach area are getting kind over grown. I would improve water quality.	8/14/2019 2:32 PM
261	nonexistent side walks	8/14/2019 2:01 PM
262	I would continue the wingra bike path all the way to the Edgewood path and update the playground equipment. Potentially add additional picnic tables in other spots throughout the park.	8/14/2019 1:58 PM
263	Better ped/bike access along Vilas Park Drive from east	8/14/2019 1:48 PM
264	I would open a dedicated running/walking path to go parallel to wingra drive. There is no sidewalk or dedicated area and some of the cars coming from the Vilas neighborhood are driving very fast through the park. It would also be great to use some of the land for an off leash dog park.	8/14/2019 1:44 PM
265	No cars. A pedestrian only stretch from the Wingra bridge near the Pleasure Drive to at least Orchard St. This is such an unsafe corridor I am appalled that the city has neglected the safety issues in this natural gem of the city	8/14/2019 1:41 PM
266	the road along the lake is full of pot holes; open up the skating rink to include going all the way around and under all bridges	8/14/2019 1:32 PM
267	Splash pad, toddler-specific play area, dog off leash area, updated children's equipment, community events I.e yoga and children's playgroups/storytimes, food carts, coffee shop.	8/14/2019 1:28 PM
268	there's nothing special that will make me go there unless I'm visiting the zoo	8/14/2019 1:26 PM
269	Fix the portion of the road that runs behind the zoo. The parallel parking, heavy traffic, and flooding make it unsafe and unenjoyable. Also, change the seasonal walls on the shelter to be transparent (like transparent overhead doors used on restaurant patios) so that parents can watch their kids on the ice from inside.	8/14/2019 1:22 PM
270	Better biking paths, two directional traffic	8/14/2019 1:19 PM

## Vilas Park Master Plan Community Input Survey

271	Please make a VERY slow speed limit and ENFORCE it, so people stop rushing through and using it as a cut-through to somewhere else. Add sidewalks along that stretch between Orchard and the zoo and the lagoon.	8/14/2019 1:18 PM
272	I would love a better playground, like the one at Brittingham Park.	8/14/2019 1:17 PM
273	-Make it more accessible by bike from the east -close the road and make it a bike path	8/14/2019 1:07 PM
274	I would make the shelter brighter as it seems very dark in the winter when trying to change ice skates	8/14/2019 1:05 PM
275	The surface of the road is really hard for bicycling, but I'm afraid if it were not so broken up, the cars would go too fast through the park.	8/14/2019 1:05 PM
276	Widen the road between Orchard St. and the entrance to the zoo and have bike lanes on both sides of the road, or a separate paved bike path running adjacent to the road. Also, the playing fields and sections of the path are regularly flooded or saturated with water. Could use a better drainage system.	8/14/2019 1:04 PM
277	Make the bike / runner access on the road more separate / clear.	8/14/2019 12:58 PM
278	Improve the shoreline with native plants. Have bike and walking paths all the way to the arboretum from the west end of the park. Consider removing vehicle access.	8/14/2019 12:32 PM
279	The problem with lake weeds.	8/14/2019 12:32 PM
280	needs more shade, odd that the two playgrounds are so separate	8/14/2019 12:29 PM
281	Closer bathroom access on Northside	8/14/2019 12:15 PM
282	Fix the muddy walking paths, resurface Wingra Drive, only allow dogs on leashes.	8/14/2019 11:58 AM
283	Better access to the water. Move the road a bit further from the lake, and add a proper walkway.	8/14/2019 11:39 AM
284	less traffic driving through and circling through the adjacent neighborhood	8/14/2019 11:34 AM
285	create a designated dog area (enclosed)	8/14/2019 8:57 AM
286	Safe wide bike lanes, post speed limits to improve safety, ticket for speeding, consider making it one way all the way through so it is not used for commuting.	8/14/2019 12:05 AM
287	less loud music and partying with alcohol/less beligerant and loud behavior by some park patrons which disrupts the enjoyment of others who prefer a quieter environment.	8/13/2019 4:36 PM
288	Moving the driving and cars further from the water to have more lake front space	8/13/2019 10:39 AM
289	Cleaner beach	8/13/2019 9:56 AM
290	1) Given the number of pedestrians and bicyclists, I recommend a separate bike/pedestrian path (like the one running from Mills to Orchard). Or close the road to cars. 2) Resurface tennis courts. I play on leagues, which were scheduled for league play this summer but were moved because the courts are in bad shape. I also play independently and it would be nice to play here. Although if the city can only resurface one set of tennis courts right now, I recommend resurfacing Rennebohm since it has lights, thus would be available to more people for more hours. 3) Improve drainage (or something) so the paths near the zoo quit flooding. 4) Otherwise the park is great. Thanks, Madison!	8/13/2019 9:31 AM
291	Nothing	8/13/2019 8:58 AM
292	Improve parking, and the path from the south parking area by the lake to get to the zoo and park.	8/12/2019 6:22 PM
293	Move bike paths away from car & bus traffic, or move car/bus routes	8/12/2019 9:31 AM
294	Too many cars! Need to be less parking and no thru access for motor vehicles. I go to a park to get away from cars and concrete!	8/11/2019 6:21 PM
295	Can't think of anything right away that I would change	8/11/2019 9:52 AM
296	Access	8/9/2019 2:09 PM
297	fields get very swampy after rain	8/9/2019 1:55 PM

## Vilas Park Master Plan Community Input Survey

298	Update playground, add/update a sand volleyball court or two	8/9/2019 1:36 PM
299	I would dedicate more resources to ice maintenance in the winter, which will also encourage more people to come skate if they can count on smooth, safe ice. I would also try to clean up the beach so that it is less gross in the summer.	8/9/2019 9:04 AM
300	IDK	8/9/2019 8:56 AM
301	More playground equipment, designated ball field.	8/9/2019 8:34 AM
302	Create clearly defined, safe walking/running areas - especially along wingra side	8/9/2019 8:07 AM
303	I would preserve the park's trees and open spaces.	8/9/2019 7:41 AM
304	seriously needs a safe way to walk through the park. it would be great if the only car traffic was people using the park.	8/9/2019 6:12 AM
305	Improve and modernize the shelter, make it larger and open more often to rent skates, host events, more like a community center	8/8/2019 10:03 PM
306	traffic and road conditions	8/8/2019 6:09 PM
307	Reduce/eliminate through traffic	7/31/2019 12:40 PM
308	Allow dogs legally, and add a dedicated off leash area for dogs	7/29/2019 5:36 PM
309	Feels like it hasn't been updated / maintained in a long time	7/26/2019 8:48 AM
310	Get all dogs out. Walking dogs on paved bike trails on north side and south side, with a leash, is OK. All dogs in play areas, bridges, and all grassy areas is not OK (leash or not). Playing fetch on grassy areas and into lagoons is really not OK. The vast majority of folks that do not bring a dog to the park should not suffer from the few that use the park as their personal space with their dog. A few signs that show a map to Madison Dog Parks would be nice.	7/25/2019 12:38 PM
311	The shelter, since I didn't even know it existed. The idea of a usable shelter is great! Making it appear like an available shelter for events rather than looking like a garage for maintenance vehicles would be awesome!	7/22/2019 10:10 AM
312	A bit more planned landscaping and formal gardens	7/21/2019 10:52 PM
313	I would love the beach to get a filtered water facility to make it cleaner--I would love to swim but the water is too dirty. I would love something akin to Olbrich Biergarten that can be more of an evening draw.	7/18/2019 12:35 PM
314	Really don't think much needs to change about the park -- the openness and flexibility of the space is it's real strength.	7/17/2019 11:04 AM
315	I wish there was a restroom by the tennis courts.	7/17/2019 9:46 AM
316	Nothing. Would like it kept up for Community use.	7/17/2019 6:08 AM
317	I'd make access from Edgewood College side of park one way as it is from the other side. Currently it is being used as a commuting lane and short cut at certain times of the day. Cars come from Monroe Street area and whiz through which is dangerous for walkers and bikers and also wrecks the spirit of a park---as a refuge and peaceful place.	7/16/2019 10:02 AM
318	I would love to see one or two more walking/jogging paths crisscrossing the park, to allow for more varied ways of traversing the space.	7/14/2019 9:46 PM
319	A sidewalk for pedestrians where there is just a dirt path (across from the beach). Also there isn't enough parking.	7/14/2019 7:41 PM
320	Maybe stop thru traffic if possible. Flooding is becoming more of a problem and adaption to climate change needs to be considered.	7/14/2019 5:51 PM
321	I would put up a nice looking fencing along the lake west of the beach to stop litter from people picnicking from getting into the lake. I would also improve the boat launch to give better footing to paddlers launching.	7/14/2019 3:46 PM
322	Parking	7/14/2019 2:47 PM
323	clean up the lake improve trail along the lake improve biking and walking access (trail along	7/14/2019 10:26 AM

lake, etc) especially during rush hour when a lot of cars drive through heading east. Also traffic flow when school/camp buses are unloading to go to the zoo. Continue to decrease goose population

324	Remove vehicular access and bus parking from Vilas Park Drive adjacent to the lake (between Vilas Avenue Parking Lot and Shelter Parking Lot).	7/8/2019 2:57 PM
325	nothing	7/7/2019 9:27 PM
326	Upgrade the road surface.	7/7/2019 7:56 PM
327	improved tennis courts, better drainage for the fields, bringing back soccer goals, friendlier dog policy or possible dog permitted area	7/7/2019 9:08 AM
328	Improve the shelter so that it can be used year round with good indoor and outdoor space. Don't like when groups of motorcyclists tear through at night - anything that limits and slows traffic would be welcome.	7/6/2019 3:30 PM
329	Please keep commuters out. No through traffic like the arboretum. Better pedestrian paths along Wingra Dr.	7/5/2019 8:19 AM
330	Add more bathroom facilities.	7/5/2019 3:58 AM
331	parts of larger field are swamped with water during spring season, making some parts unwalkable.	7/3/2019 4:01 PM
332	Not much. Plant some more trees along Vilas Park Drive in that big grassy area just east of the bridge. That area could be more pleasing with a dozen or more trees so as to provide some shade and benefit nature. Also the grassy area west of the north parking lot always floods and is unusable as a grassy area. Maybe plant some trees and let it go back to nature. Tennis courts need to be repaved, which would increase their use also.	7/3/2019 1:30 PM
333	Allow dogs on leash, consider adding a fenced dog park in one of the large underutilized grass areas toward the west end of the park. Also deal with runoff/standing water on paths, in grassy area North of the island.	7/3/2019 9:28 AM

#	PLEASE AMENITIES THAT SHOULD BE INCLUDED	DATE
1	bike path	1/21/2020 8:19 PM
2	No dogs permitted in park -- keep dog parks separate from People parks No multi-story parking garage at Orchard and Wingra Drive -- Blocks residents' lake views, will increase traffic congestion and noise in the neighborhood	1/17/2020 1:11 PM
3	none. let us have a place of nature	1/16/2020 10:21 AM
4	Take advantage of lake in winter - x-country skiing, ice boating, etc. also - provide platform for birders or viewing of lake. Work with Edgewood in a shared partnership to promote outdoor activities.	1/16/2020 8:11 AM
5	Lights for expanded hours on fields and playgrounds	1/15/2020 9:52 PM
6	Dogs should be allowed in the park. It's a shame that Madison is so anti dog. And I don't even own one!	1/15/2020 8:33 PM
7	Historical information signage. Improvement Of the entrance bridge.. so that it is safer for Pedestrian, who are crossing along with auto Traffic. A sidewalk parallel to the road providing A separation between the walkway, the bikeway, and the road.	1/15/2020 7:56 PM
8	like, a diving board/deep swimming area would be nice.	1/15/2020 7:18 PM
9	The path connector	1/15/2020 7:07 PM
10	Bike paths	1/15/2020 6:47 PM
11	Protected bike lanes and walking/jogging paths	1/15/2020 5:33 PM
12	swimming and beach would be great if the water wasn't so yucky	1/15/2020 5:28 PM
13	Adjust car traffic flow to support waterways & natural habitats and encourage more foot and bicycle traffic. Prioritize wildlife habitat restoration for public viewing and interaction	1/15/2020 2:25 PM
14	better cycling paths, more places to lock bikes, maybe one of this nice bike maintenance stands	1/11/2020 11:20 PM
15	Bike repair station	1/8/2020 7:21 PM
16	More garbage cans and pick up during the winter.	1/2/2020 10:28 AM
17	Please do not sacrifice open space and views in order to accommodate additional amenities.	1/1/2020 2:39 PM
18	Vilas has many options for a relatively small park. We especially value the tennis courts.	1/1/2020 8:43 AM
19	A Lookout Tower to view the lake, Arb, Wingra Creek and city	12/30/2019 10:45 PM
20	The bridges over the lagoon are great!	12/30/2019 8:49 PM
21	A better bike and walking path would be great.	12/30/2019 7:17 PM
22	More designated walking/hiking areas.	12/30/2019 6:53 PM
23	Interactive nature areas (educational signs that teach about nature).	12/29/2019 5:40 PM
24	Additional striping on Tennis Courts allowing for Pickleball to be played.	12/29/2019 9:50 AM
25	Pickleball courts	12/28/2019 5:13 AM
26	Art installations	12/27/2019 5:21 PM
27	Bike paths	12/27/2019 3:14 PM
28	Pubic art, updated lighting at night	12/27/2019 6:44 AM
29	Able to accommodate run-walk races, but I don't know personally what those amenities are.	12/26/2019 11:20 PM
30	If you remove some of the road, you could put a skate park in where the road is. Art! where is the public art? How about starting to collect sculptures? To go along a path by the water. More BIG trees, oaks -- plant three hundred year lasting trees now for the future	12/26/2019 6:26 PM
31	Love the idea of edible plants / landscaping! Also native plants that are great for wildlife!	12/20/2019 1:48 PM

32	please DO NOT increase parking	12/19/2019 8:19 AM
33	Swimming area for dogs!	12/18/2019 4:19 PM
34	Boardwalk around Wingra on the Arboretum side.	12/18/2019 4:07 PM
35	Benches	12/18/2019 11:38 AM
36	Outdoor ping pong Small outdoor amphitheater (council ring)	12/18/2019 11:04 AM
37	Boat launch should be repaired and trailer parking provided	12/17/2019 9:39 PM
38	ultimate frisbee and softball areas. The pond hockey tournament a few years ago was great. Some of the greatest Olympians practiced at Vilas so a better display with photos and feats would be great	12/17/2019 2:23 PM
39	I did not know that Vilas has a dog park. If so, is it really necessary? Dogs disrupt wildlife and can annoy people when they bark.	12/17/2019 9:45 AM
40	The zoo area provides food opportunities and is an integral part of the park. I would support it being expanded into the park to give it more room to grow. It is the big draw for both visitors and the local economy.	12/17/2019 8:40 AM
41	Splash pad for kids	12/16/2019 8:57 PM
42	Eliminate the geese.	11/28/2019 9:21 PM
43	Walking paths that allow on-leash dogs	11/26/2019 4:12 PM
44	Pump track for bmx and mountain bikes	11/26/2019 10:30 AM
45	Please keep Shoe slide. Keep drive along lake open to motor vehicles.	11/14/2019 3:53 PM
46	Changing stalls in the beach bathroom; water feature that kids can play in/with, like the fountain at The Union Alumni Park; sometimes the beach is not safe to use, so this would be nice in the summer	11/12/2019 9:15 PM
47	Beer garden	11/12/2019 4:40 PM
48	lake access, natural seating areas	11/12/2019 3:20 PM
49	keep parking to a minimum. Dog park would be nice but there isn't enough space for one because existing features would need to be sacrificed.	11/9/2019 9:09 AM
50	Bike paths	11/9/2019 7:36 AM
51	Safe bike facilities for all ages. I want to have my kids (2,4, & 6) bike to and around the park.	11/8/2019 10:27 PM
52	Woolly mammoth exercise areas.	11/3/2019 1:57 PM
53	Bike Lanes, BCycle station (nearby)	11/2/2019 12:01 PM
54	Beer garden like olbrich park!	11/2/2019 10:03 AM
55	Bus stop,high quality bike racks distributed throughout the park	11/1/2019 3:34 PM
56	splash pad?	11/1/2019 10:18 AM
57	More natural area - less traditional playgrounds. I love the idea of a space for little ones to learn to ride bikes (off the normal bike path because they get yelled at)	10/17/2019 9:54 AM
58	Bicycling access. Would love to see a kids bicycle playground added or considered!	10/16/2019 2:46 PM
59	No motorized boating access.	9/30/2019 2:26 PM
60	Rain gardens and other areas with native plants	9/14/2019 8:34 AM
61	I like all basketball, tennis and volleyball, maybe have a walking path. What ever you can fit in! I like it all! If you keep the beach area people can sunbathe by the beach!	9/10/2019 11:41 AM
62	Warming house for ice skating is lovely	9/5/2019 8:00 PM
63	Free boat sharing program	9/3/2019 1:03 PM

64	Ideally I think all these things are important to bring in the diversity that is represented at Vilas- I LOVE that about the park - so many different people doing different things. These are just the amenities that I would use regularly.	8/27/2019 1:01 PM
65	Shelter with restrooms for skating on the winter	8/25/2019 12:08 PM
66	There should be no motorized boats on Lake Wingra. It is too small a lake and motorized boats are a hazard, polluting, and noisy. Mendota and Monona are close enough and allow for motorized boats.	8/22/2019 10:56 PM
67	ADA kayak launch into Lake Wingra	8/21/2019 9:33 PM

70	Garden of native plants with signs identifying plants, such as pollinator plants.	8/21/2019 7:04 PM
71	Dog area- non fenced	8/21/2019 6:51 PM
72	A beer garden!!	8/21/2019 4:08 PM
73	Nature-based/themed playgrounds; educational kiosks that talk about the history of the park and Lake Wingra, especially their unique natural history and features, and how people can be good stewards of the resource.	8/21/2019 10:46 AM
74	Bike lanes.	8/20/2019 12:29 AM
75	CYCLING. I frequently use Edgewood Ave to connect from the Lakeshore Nature Preserve to the Wingra Creek Path. A bike path or bike lane should run along Vilas Park Dr until it meets the start of the existing pathway at the entrance to the park.	8/19/2019 11:24 PM
76	Pickleball courts	8/19/2019 10:42 PM

87	Pickleball?	8/16/2019 10:54 AM
88	Safe and flat paths from all parking areas to the zoo for wheel chairs and strollers	8/15/2019 9:46 AM
89	bike paths, winter fatbiking trails	8/15/2019 7:56 AM
90	Public art, historical signage/ photos. Include additional BCycle stands (the only one I can think of is by the Arb entrance)	8/15/2019 6:21 AM
91	exercise equipment for adults	8/15/2019 4:31 AM
92	Bike paths	8/14/2019 10:26 PM
93	Bubblers/drinking fountains No dogs Toilet building by tennis courts and basketball courts More picnic tables on the north side Better turf management of the playing fields (plantain is like teflon)	8/14/2019 3:14 PM

## Vilas Park Master Plan Community Input Survey

#	RESPONSES	DATE
1	Re-do the roadway, to add separate walking and cars.	1/23/2020 5:48 PM
2	More events to be hosted at the park. Something like a Greek Fest? Mini craft beer festival? How can we make it a gathering place?	1/22/2020 8:04 AM
3	The environment and how it will be impacted by any changes.	1/21/2020 4:44 PM
4	Algae and preventing run off	1/21/2020 3:34 PM
5	No high rise, concrete parking structures near park and bike trails. Adds to traffic noise and pollution going into Lake Wingra	1/17/2020 1:13 PM
6	we have more pressing needs for our money than park Improvements or more cement parking lots. Like air quality, water quality, carbon footprints	1/16/2020 10:23 AM
7	Keep shoreline development at a minimum, but buildings elsewhere in the park are more welcome. As a trial, we could see whether a small paddlesport rental area would be welcome. I realize folks can go to the other park to get this, too, so it's not a priority for our family.	1/16/2020 10:13 AM
8	It is one of my favorite things about Madison. Eager to see it be made even better.	1/16/2020 9:16 AM
9	water management in the context of climate change and heavier rainfalls	1/16/2020 8:40 AM
10	Uniqueness of park is it is part of larger natural network. Create system to access/acquire recreation around Lake Wingra by use of pedestrian pathway. Add a nature viewing area for birders or persons to mediate in the quieter part of park - by marsh area near Edgewood and Pleasure Drive. Don't overdo the park - create separate active and passive areas. Be cautious about allowing dog park - conflict with young children to wildlife.	1/16/2020 8:27 AM
11	More parking!	1/16/2020 12:33 AM
12	Lights for nighttime use. More large community planned events.	1/15/2020 9:53 PM
13	Dogs! Ways to keep wingra clean. Connecting the bike paths around Wingra would be amazing. Right now you have to go out to Monroe on a narrow sidewalk.	1/15/2020 8:36 PM
14	Safety	1/15/2020 8:27 PM
15	A juncture between Vilas Park and the Arboretum. Which now involves a sharp turning Angle. A safer bridge at the entrance to The park on the west side. Continued improvement of the anti-Algae runoffs. Continual improvements to the Playground areas. Keep the sporting activities open for Picnickers and don't open up the grassy area To organized teams like grade school football. Somehow, avoid increasing the area devoted To auto and bus parking.	1/15/2020 8:13 PM
16	Reduce paved area to improve water quality.	1/15/2020 7:42 PM
17	I would kinda like it if the beach was larger.	1/15/2020 7:19 PM
18	Connect the path Around the lake	1/15/2020 7:07 PM
19	Numerous speed bumps and then more speed bumps	1/15/2020 5:34 PM
20	anything possible to improve lake water quality. lake levels will be rising and flooding more frequent	1/15/2020 5:30 PM
21	Let some of the lagoons become wetlands and build an ice rink	1/15/2020 5:28 PM
22	Annie Stewart Fountain restoration and attention to burial mounds regarding preservation and education. Remove playground equipment in that area (dinosaur & swings) for more contemplative spaces shifting play areas to already existing playgrounds on other side of the zoo	1/15/2020 2:26 PM
23	Don't crowd the zoo too much with more animals	1/14/2020 2:15 PM
24	Restore Lake Wingra Shoreline; maintain stone bridge crossing Edgewood Drive.	1/14/2020 1:21 PM
25	Not everyone in Madison drives everywhere. Walking, cycling, and transit access are important for both environmentally-conscious people and low income people.	1/11/2020 11:20 PM
26	Slowing down traffic by adding GENTLE speed bumps	1/10/2020 1:35 PM

## Vilas Park Master Plan Community Input Survey

27	Preserving its character!	1/9/2020 10:28 AM
28	Don't limit traffic	1/8/2020 7:21 PM
29	a better balance of tree/forest/shaded areas with paths, especially around the water, with open playing fields.	1/6/2020 12:47 PM
30	Improving water quality, especially at the beach.	1/3/2020 7:53 PM
31	Eliminate car traffic using park road as a drive thru	1/2/2020 1:22 PM
32	Walking paths close to the lake...not a road close to the lake. The park is about people and nature, not cars.	1/2/2020 10:29 AM
33	What Vilas Park offers that is unique and should be preserved. What does it have that differs from what is available in other parks and recreational facilities? What does it contribute to the options that are available to Madison residents and visitors?	1/1/2020 2:43 PM
34	User safety/ security / accessible clean facilities	1/1/2020 12:15 PM
35	The Native American history of this area should be publicly noted and honored. Some educational installations explaining the mounds and the people who built them would be welcome and wonderful.	1/1/2020 8:47 AM
36	Promote skating (PSA's) and pond hockey (small goals)	12/30/2019 10:47 PM
37	More native plantings and natural areas. The lake already receives excess nutrients, but every little bit of runoff prevention is key for lake health. And if you look at historical pictures of Lake Wingra, it was surrounded by prairie/savannah so it would be great to have more of that in Vilas Park. Even planting more oak trees within restored native plantings would be great. It would give more shade for fishing along the shore and hopefully prevent some excess nutrients entering the lake. There could also be native plantings around the lagoon, especially on the eastern side of the lagoon where people don't recreate as much (as far as I know people don't recreate as much over here besides maybe some fishing). Overall I think the park is a great resource for Madisonians and especially Vilas Neighborhood residents.	12/30/2019 8:53 PM
38	Recognizing that there is limited space, it would be ideal to get the road farther from the shoreline if possible. However, please do continue to allow eastbound traffic all the way through the park. During busy times around campus, this route is a valuable shortcut for local traffic that knows how to avoid football Saturday and other traffic jams. Please do NOT add a dog park. The fences are ugly and would inevitably ruin the views from all parts of the park. Not everyone has or even appreciates dogs and the mess they leave (even with a fenced area, dogs tend to leave messes on their way to and from the the fenced area and owners aren't always great about cleaning it up).	12/30/2019 7:23 PM
39	To keep the historical origins and look of the park intact, even if modernization is necessary.	12/30/2019 6:53 PM
40	The vast majority of Greenbush residents using the sidewalks around/outside of the park are walking dogs. It is very frustrating to be banned from our local park for the comfort? preference? of people who do not live in our neighborhood. Madison's dog policy is very outdated and hinders the connections formed by community members meeting while walking dogs. I am happy to see other Madison residents driving into our community to enjoy this great park, but that shouldn't prevent local neighbors and dogs from equal enjoyment.	12/30/2019 1:32 PM
41	Mostly leave it as is.	12/29/2019 10:27 PM
42	Continue to restore the fountain (part of the park east of the zoo) and think about how that area can be used and improved.	12/29/2019 5:41 PM
43	Areas of native plantings & getting the lake healthy.	12/28/2019 5:38 PM
44	Buses should not park in Vilas. They should drop off their groups and then wait for their pickup in a location like the Post Office on Wingra Dr. They are unsightly and taint the park experience.	12/28/2019 5:16 AM
45	Art installations	12/27/2019 5:22 PM
46	Bus service.	12/27/2019 3:15 PM

79	my biggest thing would be the fountain park area. Please update the structure there for older children. Even a smaller structure like the one at Midland park would be very nice to see.	11/21/2019 10:43 AM
80	Water quality of the lagoon and beach. Maybe another sign with more history of the park like the one explain the shoe slide.	11/14/2019 3:59 PM
81	Speed bumps and speed limit signs. Keeping a large green space and preserving the natural landscape.	11/13/2019 10:17 PM
82	Please improve the path along the zoo and lake wingra. If you are pulling kids in a wagon, you are forced to walk in the road. That is particularly bad in winter.	11/13/2019 7:25 AM
83	Spread bumps and posting speed limit signs (I currently see none); keep the road one way because it is safer for runners, walkers, and bikers	11/12/2019 9:17 PM
84	Dog park area would be nice	11/12/2019 8:41 PM
85	LOVE the dog park idea! Definitely a missing piece here!	11/12/2019 8:38 PM
86	Many children have fear of dogs so if considering a dog area please keep at distance from zoo, beach and other high kid areas.	11/12/2019 7:59 PM
87	Keep the boardwalk through the reeds up to date and the path groomed	11/12/2019 7:16 PM
88	please preserve and enhance the natural beauty of the park!	11/12/2019 4:29 PM
89	Plan big.	11/12/2019 3:20 PM
90	More bubblers/drinking fountains (at least one that could be operational all-year round); bike parking	11/11/2019 2:21 PM
91	More bike parking. Make sure nature gets way more space than fences & concrete. Keep it beautiful. I was relieved that the new bridges fit the aesthetic of the space.	11/9/2019 9:36 AM
92	Please consider all of the people who bike to access this park. It should be safe (as I also bike with my kids) and easily accessible	11/9/2019 7:37 AM
93	Remove car shortcut road through the park. Could this be converted to a walk and bike only path? Car access from mills st should be sufficient.	11/8/2019 10:29 PM
94	preserve the natural aspects of the park, e.g. don't cut down trees to build more structures	11/6/2019 1:25 PM

110	*Make sure not to lose the natural layout and beauty existing at the park with any updates. Also having the right amount of open green space..... If some other feature is added besides updating the playground there is likely only space for an additional feature and make sure it doesn't take too much away from existing green space.	10/17/2019 10:24 AM

112	Skating access on lagoons. This is one of the few parks that offer skating on a natural waterbody.	10/16/2019 12:05 PM
113	Please keep in mind that Vilas Park is unique in Dane County (and extremely rare among parks everywhere) in that it provides an ideal venue for thousands of people who enjoy the activity of recreational and competitive running. Vilas Park is an essential piece of a continuous 10-kilometer low-traffic pathway around Lake Wingra. For over 50 years this route has served the many runners and joggers and walkers who live in and around Dane County. It has been a dependable, safe venue for fund-raising races and competitive events year-round. Making any changes which would increase traffic or otherwise obstruct the current one-way road through Vilas Park would be disastrous to this historically-friendly use.	10/16/2019 10:18 AM

124	Whatever is done. Keep it up, keep it clean and fresh looking to attract people. Playground and shelter looking beat up does not bring people to the area. A fresh coat of paint and some refinishing can go a long way and a nice kept up playground could do a lot.	9/10/2019 11:45 AM

126	Health of lake Wingra. Possible need to increase wetland education, and wetland spaces.	9/5/2019 8:01 PM
127	No Dog park. The vilas neighborhood has enough places for dogs. Additional parking is not needed and will just result in overcrowding.	9/3/2019 1:04 PM
128	Possibly a bike/walk path that runs from Edgewood Drive along the north side of the lagoon. Otherwise I strongly suggest expanding natural habitat.	9/3/2019 11:07 AM
129	No dog park needed.	9/1/2019 7:55 PM
130	I appreciate that the shelter is open for ice skating accessibility as soon as the ice is frozen. I am impressed by how quickly the city uses their equipment to clear snow off the ice.	8/25/2019 12:10 PM
131	The park road is a critical low-stress bike connection between the Monroe Street area and Wingra path. I use it with my kid a lot. Reducing conflicts between vehicles and people is very important... It probably best to create a continuous shared use path to avoid vehicles on the road.	8/24/2019 10:33 AM

141	Beer garden like the one at olbrich park!	8/21/2019 4:08 PM
142	Listen to what the community wants and incorporate those wishes and ideas into any master plans. Avoid over-building the park by attempting to provide everything for everyone. This park is special because it is next to a small, quiet lake with walkable access to the zoo and Park & Pleasure Drive. It should not be treated as an urban park that tries to squeeze too much into a small space.	8/21/2019 10:53 AM

148	Better bike access via separated paths	8/19/2019 4:37 PM
149	Parking lots cost thousands of dollars for each stall, and almost all of that space could be far better used as greenspace for children, bike parking, or any number of other uses. There is absolutely no reason to increase parking here, and if anything, we should be actively reducing it.	8/19/2019 12:37 PM

182	Keep Vilas Park Drive one-way for cars at least in part, to prevent commuting through park.	8/14/2019 1:50 PM
183	This is a beautiful area that hasn't been too spoilt by construction. Take care of it: if the city won't create a pedestrian only area then, at the very least, add a sidewalk, post a 15 or lower speed limit, put in speed bumps, and post it as a park with caution signs to slow down for people and wild animals. AND, please, find other solutions to control the number so called 'nuisance animals' instead of killing them. Really, we are better than this. The mark of a civilized people is how it cares for animals.	8/14/2019 1:47 PM

214	I think the road along the southside of the park ruins a lot of the parkspace. I don't know that there is a solution, but it is a shame to waste so much space on roads/parking. The park is also part of a biking dead zone. I think Madison needs to find a solution that connects the arboretum, bayview, and Nakoma. 227	When striking the balance between nature and people err toward nature. Ensure that improvements either have a neutral or positive impact on the health of Lake Wingra. Favor pedestrians and bikes over cars.	7/6/2019 3:34 PM
228	Would love to expand the beach area.	7/5/2019 8:20 AM
229	Keeping the field large and able to be used for multiple activities.	7/5/2019 4:00 AM
230	Sustainability and flexibility of uses and micro-environments; bike and bus access	7/3/2019 4:02 PM
231	Eliminate current parking lots at north entrance and southeast entrance. Space is too valuable to waste as parking for idle vehicles. There's plenty of on-street parking in the neighborhood. Please use those two parking lots for something else, like additional greenspace, etc.	7/3/2019 1:35 PM
