Vilas Park Master Plan – Community Input Meeting #1 Goals of the Master Plan for Vilas Park Include:

- Development of a master plan document that has received input from a broad cross section of the residents of Madison.
- The master plan document will be a framework plan that will inform future budget requests to identify projects that will go through additional public engagement and design development processes.
- A master plan report that meets the expectations of the approved Park Master Plan Policy.
- To present a vision for Vilas Park that will help to inform development decisions over the next 15-20 years.

Topic 1 – What parks mean to you.

What image, memory, place, or feeling first comes to mind when you think about time spent in a park (any park)?

• Topic 2 – What to maintain and enhance at Vilas.

What 1-2 things do you love most about Vilas Park today? What draws you here?

• Topic 3 – What to improve at Vilas.

What 1-2 things do you hope can change at Vilas Park? What's missing or not working?

• Topic 4 – Vilas as a community park.

How can Vilas Park best serve our whole community over the long term as Madison grows? What values are important?

Thank you!
