# About Austen Brantley

Austen Brantley is a self-taught figurative sculptor from Detroit, MI. His art is inspired by African and Classical Art and aims to continue the traditions of the Harlem Renaissance. Brantley's work emphasizes craftsmanship which can be seen in it's finished quality and attention to detail.

## Darbo-Worthington Sculpture

The City of Madison and Madison College are partnering to bring artist, Austen Brantley to Madison for a series of workshops and community engagement activities to culminate in a public sculpture for the Darbo-Worthington neighborhood.
