

CAPITAL CITY TRAIL CLOSED

NOB HILL DR TO SOUTH TOWNE DR
for Sanitary Sewer Replacement beginning August 24th

Project Information

City of Madison Engineering, in collaboration with Madison Metropolitan Sewerage District, are undertaking an upgrade to sanitary sewer mains that cross the Capital City State Trail.

Work is anticipated to be completed in 6 weeks and includes moving sanitary structure off of bike path, replacement of sewer mains, and pavement restoration.

To determine revised travel routes during construction use the alternative route map, to the right.

To download this map, view additional mapping resources or for more information, visit the City of Madison Projects page at:
