Playground Design Process

Public Input Meeting

- Playground Requirements
 - Target Age Group(s)
 - Equipment Play Factors
 - o Surfacing
- Project Scope
 - o Budget
 - o Site Constraints
 - o Timetable
- Neighborhood Input
 - PlaygroundManufacturerOptions

Playground Meeting #1

- Review project scope, budget, & timetable
- Discuss site factors to consider
- Present two options for manufacturer selected at first meeting
- Consider alternative components, as needed

Playground Meeting #2

 Present final design for feedback (this meeting may not be necessary if consensus is reached at the previous meeting)
