

Public Meeting

Thursday, Sept. 5, 2013 at 6:00pm at Lake View Reservoir

Lake View Reservoir Reconstruction

Lake View Reservoir (1320 Lake View Avenue) provides water storage and fire protection to a large portion of the Lake View Hill Neighborhood Association. This reservoir is undersized and has reached the end of its useful life. We propose to construct a larger reservoir, as well as utilize the site to improve water storage to the remainder of the city's east side.

A full description of the proposed project and other information is posted on the Utility website at <http://www.cityofmadison.com/water/plans/LakeViewReservoir.cfm>. You are invited to a public meeting to learn about the project. If you are unable to attend, written comments and questions can be submitted via email to water@madisonwater.org or by US Mail to Madison Water Utility, 119 E Olin Avenue, Madison WI 53713. We hope you can join us!
